2nd Amendment IM 5336

TO: County Social Service Directors
Economic Assistance Policy Regional Representatives
Economic Assistance Policy Quality Control Reviewers

FROM: Michele Gee, Director, Economic Assistance

SUBJECT: SNAP Employment & Training Program (NDWORKS) policy

PROGRAMS: Supplemental Nutrition Assistance Program (SNAP)

EFFECTIVE: August 15, 2018

**SECTIONS
AFFECTED:** New Section 430-05-40-60 NDWORKS SNAP Employment
and Training Pilot Program

This IM is being amended because the SFN 679 – SNAP Employment and Training Affidavit and Referral form has been renamed the SFN 679 – SNAP Employment and Training Referral form. The SFN 353 – Affidavit for BEST Registrants has been renamed the SFN 353 – Affidavit for SNAP Employment and Training Registrants. Policy on the use of these forms has also been updated. The policy on disqualification timeframes has been updated to clarify the first disqualification and to also include cumulative disqualifications between BEST and NDWORKS.

A new SNAP pilot employment and training program (NDWORKS) will be implemented to expand the SNAP Employment and Training Program into Grand Forks and Ramsey Counties. Applications or Reviews received on or after August 15, 2018 will be considered for referral to the NDWORKS program. New notices have been created and will be added to the Notice Hard Card. This will not replace the BEST Program. As a result of the pilot, a new policy section is being created in the SNAP Policy Manual.

Participant reimbursements for supportive services should be submitted to the State Office via SFN471 – Vendor Payment Authorization and Request For Payment For Goods And Services, along with any receipts provided by the participant.

430-05-40-60-40 Good Cause for Non-Compliance – NDWORKS

The eligibility worker is responsible for determining good cause when the participant has failed to comply with the NDWORKS Program. The NDWORKS case manager may be able to provide reason(s) why the participant failed to participate, however the determination must be made by the eligibility worker.

When the NDWORKS case manager notifies the eligibility worker of non-compliance, the eligibility worker must send notice F850 - SNAP Good Cause Determination - NDWORKS to the participant. The participant must establish if good cause exists within 10 days of the notice. If good cause does not exist or the participant does not respond, the eligibility worker

must begin the conciliation procedure. The eligibility worker must document if good cause exists, the good cause reason or if the participant fails to respond to the F850 in the case narrative.

Good cause for non-compliance with the NDWORKS Program includes circumstances beyond the participant's control, including but not limited to:

- a. Illness.
- b. Illness of another household member requiring the presence of the individual.
- c. A household emergency.
- d. Short-term or temporary unavailability of transportation.

EXAMPLES:

- 1. The bus was behind schedule.
- 2. The participant's car broke down.
- e. Short-term or temporary unavailability of child care for children who have reached age six but are under age 12.

EXAMPLE:

- 1. The participant did not have daycare on a specific day.
- f. Acceptance of employment of more than 30 hours a week which doesn't materialize or results in employment of less than 30 hours a week.

Transportation, dependent care or other necessary participation expenses that are a more chronic issue may be reason to exempt a participant from NDWORKS.

Good cause for non-compliance can also include good cause reasons as outlined in Good Cause 430-05-40-25-10.

430-05-40-60-45 Conciliation Procedure

The conciliation period is used to provide the mandatory NDWORKS participant with an opportunity to comply with the program.

Once it has been determined good cause does not exist for non-compliance, the conciliation period begins for 30 calendar days. The eligibility worker must contact the participant by using F851 – SNAP Non-Compliance - NDWORKS Notice and use the following steps to determine the next action to take:

- If the participant responds within the 30-day period and it is determined the participant did not comply or is not exempt, begin disqualification procedures by issuing Notice F450 – SNAP Closing Non-Compliance with NDWORKS or the F743 – SNAP Decrease in Benefits Non-Compliance with NDWORKS. The worker must enter the reason for noncompliance in the space provided on the notice. The reason for disqualification must be documented in the case narrative.
- If it is apparent that the participant will not comply (i.e. the participant refused to comply and does not have good cause or is not exempt), issue Notice F450 or F743.
- If Notice F450 or F743 is issued before the end of the 30-day conciliation period, and it is verified that the participant complied, has good cause or is exempt, the 30-day conciliation period ends.
- To avoid Notice of Adverse Action (issuance of Notice F450 or F743), the participant must perform a verifiable act of compliance, such as attending the orientation session or NDWORKS activity assigned to the participant. Verbal commitment by the participant is not sufficient commitment, unless the participant is prevented from immediately complying by circumstances beyond their control. The eligibility worker must document the verifiable act of compliance in the case narrative.
- If the participant does not respond within the 30-day period, issue Notice F450 or F743 at the end of the 30-day period. The eligibility worker must enter the reason for noncompliance in the space provided on Notice F450 or F743. The eligibility worker must document in the case narrative the reason for non-compliance.

430-05-40-60-50 Disqualification Time Frames for NDWORKS

The following disqualification time frames apply for failure to comply with NDWORKS. Before disqualifications are applied to NDWORKS participants, the conciliation period must be followed. The disqualification must be entered in the eligibility system and documented in the case narrative.

1. First Violation:

A one-month disqualification must be served (from the date the disqualification becomes effective). If the participant complies or becomes exempt during the disqualification period, the disqualification can be ended, and eligibility re-established the first day of the month following compliance.

2. Second Violation:

A three-month disqualification must be served (from the date the disqualification becomes effective). If the participant complies with the NDWORKS requirements for which the disqualification was imposed, the disqualification period must be served. If a participant becomes exempt during the disqualification period eligibility must be reestablished.

3. Third Violation:

A six-month disqualification must be served (from the date the disqualification becomes effective). If the participant complies with the NDWORKS requirements for which the disqualification was imposed, the disqualification period must be served. If a participant becomes exempt during the disqualification period, eligibility must be reestablished.

Disqualifications imposed because of non-compliance with BEST or NDWORKS program requirements are cumulative.

Example:

An individual living in Cass County was disqualified for failure to comply with the BEST program requirements and a one-month disqualification was imposed. The individual moves to Grand Forks County six month later and is required to comply with the

NDWORKS program. The individual fails to comply with the NDWORKS program requirements. The individual must be disqualified for 3 months.

Once a disqualification is imposed:

- If a participant in an ongoing case is disqualified and:
 - Complies during the disqualification period, they must serve the one, three or six-month disqualification before they can become eligible.
 - Becomes exempt, the participant can be eligible the following month.
- If the case closed and the participant is reapplying and:
 - Has complied, they must serve the one, three or six-month disqualification before they can become eligible.
 - Is exempt, the participant is eligible at the point of application.

A NDWORKS disqualification may be imposed after the end of a review period. Notice F450 – SNAP Closing Non-Compliance - NDWORKS must be sent whenever the county becomes aware of a participant's noncompliance with the NDWORKS Program, even if the disqualification begins after the review period expires and the household has not completed their review.
