Removing verbiage in parentheses on #14 iv.

Policy Section Updates**Income Deductions 510-05-85-35**

14. The deductions described in this subsection may be allowed only on earned income.

- a. For all individuals, except for aged, blind, or disabled applicants or recipients:
 - i. Mandatory payroll deductions and union dues withheld, or ninety dollars, whichever is greater;
 - ii. Mandatory retirement plan deductions;
 - iii. Union dues actually paid; and
 - iv. Expenses of a non-disabled blind person, reasonably attributable to earning income. ~~(This provision applies to individuals who are eligible for Medicaid under the children and family category.)~~
