Effective April 1, 2024

### **Policy Section Updates**

#### **1. Excluded Assets 510-05-70-30**

The total annual contributions for a single tax year, regardless of the number of contributors, are ~~\$15,000~~ \$18,000, effective January 2024 2018 (~~\$14,000-effective January-2017~~). For individuals with disabilities who are recipients of SSI, the ABLÉ Act sets some further limitations. When the total account balance meets a Plan's maximum balance limit, additional contributions into an ABLÉ account will not be accepted. Each state sets its own maximum balance limit.

#### **2. Income Levels 510-05-85-40**

4. Breast and Cervical Cancer Early Detection Program and Refugee Medical Assistance income levels. The income level is equal to 200% of the poverty level applicable to a Medicaid Unit of the size involved.
