**To Do:**

- DBGR may have to re-issue bills to match the payments for January 2021.
- CFS eligibility unit and/or Human Service Zone eligibility workers authorizing payments, please review the January billings to ensure the new rate is billed by the facility.
- NDDHS and Children and Family Services will initiate a work order for a formal payment mass adjustment in CCWIPS for the placements and payments which have already received payment due for January yet reimbursed the previous lower rate.

The rates are updated in CCWIPS. If you have any questions or need technical assistance, please contact me at 701-328-3581.
