

Insurance Community

Goal

Increase collections from insurance claims through universal participation in an insurance data match program

Areas for Improvement

- Number of insurance companies participating in the match process
- Acceptance across state lines of documents to seize insurance claims
- Timeliness of reports regarding insurance claim payouts

Action Steps – Areas for Change

- Promote participation in an insurance data match program
 - Options for voluntary participation – 2009 HB 1175 § 8, NDCC 26.1-02-28
 - OCSE insurance match – See Tab 7
 - Child Support Lien Network
 - Criteria
 - Threshold of claims that must be reported (e.g., \$500)
 - Type of claims
 - Exemptions (e.g., damage to or loss of real property)
- Mandate participation?
- 2009 legislative amendment to HB 1175
- Law change to clarify acceptance across state lines of seize actions
- Develop and implement a mechanism for securely transferring forms between Child Support Enforcement and insurance companies
- Implement process for electronic remittal of payments by insurance companies
- Proposals from Task Force
 - Review draft legislation and discuss next meeting
 - Consider timing of the lien
