BEST IN CLASS Family Engagement

Family engagement is an important component of Best in Class (BIC) program design. Commitment to family engagement offers opportunities that support positive outcomes. Parents are the first teacher, partnering with your child’s teacher lays the groundwork for success in school and life. As a Best in Class family, you will be automatically enrolled into Ready Rosie and will have the option to participate in Waterford Upstart.

**Ready Rosie:**
Ready Rosie is a tool to discover activities and games you can play with your child that relate to classroom learning. Have fun with your child through meaningful interactions. This interactive app sends a weekly playlist via text message and/or email. *(You will be automatically enrolled into Ready Rosie as a BIC participant)*

**Waterford Upstart** kindergarten readiness program:
Your child completes an early education program from the comfort of your home—at no cost to you! They will learn basic reading, math, and science to be successful and confident in school. Through one-on-one coaching and supplemental activities, you can be more involved in fostering your child’s learning. Here is a link to get started: [https://www.waterford.org/upstart/pre-qualify/](https://www.waterford.org/upstart/pre-qualify/)
Registration is open now—spots limited! *(Email will need to be the same email used for registration)*

I am committed to participate in Ready Rosie and/or Waterford Upstart. I grant permission for Best in Class to gather information from Waterford and Ready Rosie on participation and progress.
