

CLSD Grant Awards: In October 2019, North Dakota was awarded funds from the U.S. Department of Education in the amount of \$43.9 million. The North Dakota Department of Public Instruction is excited to announce that 20 sites across the state received grant awards to support disadvantaged children in literacy skill improvement. A site comprises a school district and community partners or a partnership among two or more school districts and their respective community partners. Funds will be disseminated over a five-year period, as indicated below.
