

HQIM Grant Signature and Assurance Form

The purpose of this form is to make sure the district is aware of the requirements of the High-Quality Instructional Materials grant. Please ensure all boxes are checked and the proper signatures are included.

I have read over the guidance document included on the NDDPI HQIM webpage.

I am aware of the curriculum guidance provided by the NDREA and will use that document in making instructional material decisions.

I am aware that this grant is for my K-5 elementary building(s) only.
