

# Science of Reading Instructional Materials & Resources for North Dakota

Accelerate student achievement while creating joyful reading experiences.  
Made for North Dakota students, teachers, and families to enjoy together!

## Classroom Libraries™

Each teacher will get a classroom library for their grade with either **3 copies for under 15 students** and **6 copies for over 15 students**

- ✔ Video lessons in multiple languages
- ✔ Multiple titles per phonics skill for extra reinforcement
- ✔ 90% decodable words in each book
- ✔ 20% of each page targets the focused phonics skill
- ✔ QR code on each decodable links to a fun video phonics lesson

Aligned to the North  
Dakota ELA Standards!

## Take-Everywhere Literacy Packs™

Science of Reading *Take-Everywhere Literacy Packs™* are data-driven and personalized, using our reading assessment algorithm to target each student's specific phonics needs. Each teacher will receive **5 rounds of take everywhere packs** to use in the classroom and then extend practice at home.
