

COVID-19 Funding School District Guidance on Coding

Guidance was sent out to code the federal grants related to COVID-19 to use program code 298. The only function code set up for program code 298 is 1000 - instruction. Coding any expenditures to 298-1000 that are not instructional will overstate your school district's instructional expenditures as well as the cost of education.

All noninstructional expenses should NOT use 298, but rather the program code identified in the [NDSDFARM Manual](#) for each expenditure.
