

21st Century Community Learning Centers – Intent to Apply Form

Although strongly encouraged, completing the Intent to Apply Form is not a required component of the application process. Completing the Intent to Apply assists NDDPI in securing a sufficient number of peer reviewers and provides a way to communicate important updates with potential applicants.

NDDPI will host an online applicant workshop on **April 29, 2025, at 10:00 a.m. CDT** to encourage high-quality proposals.

Participants are asked to register for the workshop using the following link: [NDDPI 21st CCLC Applicant Workshop](#).

Please fill out the Intent Form questions below:

Contact Information

| |

Intent to Submit Acknowledgement

- I acknowledge that applicants must give prior notice to the community of their intent to submit an application for a 21st CCLC grant to foster these partnerships. Notification to the community can be made concurrent with proposal submission and must be disseminated in an understandable and accessible manner.

When complete, please email this form to dpi21stcclc@nd.gov
