## Schoolwide Comingling Section (If applicable)

*If the district is not comingling, then this section does not need to be completed.*

- Only approved Title I schoolwide programs have the option to comingle funds

**Schoolwide Comingling**

Only approved Title I schoolwide programs have the option to comingle funds from all the federal programs whose intent and purpose will be a part of their schoolwide plan. Districts that elect to comingle funds are not eligible to transfer funds. Large school districts that must complete the Title I Rank and Serve are not eligible to comingle.

If the district IS requesting to comingle funds: This section must be completed.  
If the district IS NOT requesting to comingle funds: This section does not need to be completed.  
Mark As Complete: "Mark As Complete" must be checked in each section before the Intent to Apply can be submitted.

When comingling funds, schoolwide programs DO NOT have to track how each program's dollars are spent; instead, the school would combine all the dollars into one account to be used for all schoolwide program operations. All federal funds used to support the schoolwide plan should be put into one account at the local site. Federal funds should not go into the general fund, as schools will still need to submit financial reports tracking the expenditure of the federal funds as a whole.

Please select each program that you will be comingling into one budget.
