Session Description: This session will cover the Four-Year Rolling Plan, requirements of the plan, its role in Choice Ready, possible formats for the Four-year Rolling Plan, and how to report completion of the Four-year Rolling Plan. The session will also cover the coursework and other academic and career information to enter into the plan.

Session Topic: Alternate Choice Ready

Presenters: Lea Kugel and Mark Ehrmantraut

Meeting Date and Time: Wednesday, December 9, 2020; 1:00 – 2:00 p.m. (CST)

Teams Invite Link: [Click here to join the meeting](#) or call in: [+1 701-328-0950, 916472718#](#)

Session Description: This presentation will review the Alternate Choice Ready Chart for students with disabilities taking the ND Alternate Assessment. In addition, discussion will center around how the individual student's transition IEP ties into guidance for the Alternate Choice Ready Chart. Participants will be encouraged to share how they have recently completed Alternate Choice Ready activities for students with disabilities in their schools/districts during distance, hybrid, and face-to-face learning.

Session Topic: Preparing Students to be Choice Ready by Providing Cream and/or CLEM

Presenter: Davonne Eldredge

Meeting Date and Time: Wednesday, December 9, 2020; 2:00 p.m. to 2:30 p.m. (CST)

Teams Invite Link: [Click here to join the meeting](#) or call in: [+1 701-328-0950, 446814109#](#)

Session Description: This session will introduce participants to the CREAM and CLEM programs. This online learning platform is designed to assist students who did not meet the benchmark required to participate in college level mathematics and English courses. Students who take the program can prevent having to take remediations courses in the areas of mathematics and English. The presentation will explain how this program may be used to assist struggling seniors, explain how the program may be used in a distance learning or hybrid environment, explain more about the skills covered in the program, and explain how schools may receive support for this program.

Session Topic: Stakeholder Engagement with Choice Ready

Presenter: Amanda Peterson

Meeting Date and Time: Thursday, December 10, 2020; 1:00 p.m. to 2:00 p.m. (CST)

Teams Invite Link: [Click here to join the meeting](#) or call in: [+1 701-328-0950, 320189725#](#)

Session Description: It is increasingly important to involve families in the educational experience to increase student motivation, enhance communication, and build partnerships. During this session, participants will be provided with some tips for helping to engage families and other education stakeholders with multiple components of the Choice Ready framework. In addition, discussion will include brainstorming ways to increase student and parent involvement with goal setting.

Session Topic: Work-Based and Workplace Learning Opportunities

Presenters: Wayde Sick and Mark Wagner

Meeting Date and Time: Thursday, December 10, 2020; 2:30 p.m. to 3:00 p.m. (CST)

Teams Invite Link: [Click here to join the meeting](#) or call in: [+1 701-328-0950, 641120618#](#)

Session Description: In 2018, Congress passed the Strengthening Career and Technical Education in the 21st Century Act, also known as Perkins V. The state could select one of three options for a CTE program quality measure, for which Work-Based Learning was selected. With that selection, the state was able to pull ESSA with Choice Ready and CTE closer together. During this session, Department of Career and Technical Education staff will explain what Work-Based and Workplace Learning opportunities are and examples of each.

Session Topic: Industry Certifications and Career Pathways

Presenters: Wayde Sick and Mark Wagner

Meeting Date and Time: Thursday, December 10, 2020; 3:00 p.m. to 3:30 p.m. (CST)

Teams Invite Link: [Click here to join the meeting](#) or call in: [+1 701-328-0950, 767740998#](#)

Session Description: Under the Workforce Ready portion of Choice Ready, schools are able to use the successful completion of an Industry Recognized Credential to show Choice Ready. Another option under Workforce Ready is completion of three or more CTE courses. During this session, Department of Career and Technical Education staff will explain different options for Industry Credentials and explain the importance of completing a Career Pathway.
