

Educators Rising in North Dakota

Check List on What Needs to be Done

TASK	Assigned To
☐ Build EdRising Chapter at your school (i.e. course, lunch & learn, extra-curricular)(consider starting middle school feeder chapters)	Educator
☐ Keep data on the program – A report will be due in June 2026	Educator/Admin
☐ Apply for Educators Rising grant for stipend and travel	Administrator
☐ Attend monthly group coaching calls (register here)	Educator
☐ Complete all student registrations to establish your Chapter – must ensure students become registered members (each year) by Nov 1 st (or by Feb 1 st for second semester registrants) using the student membership code that was provided to you in your Welcome Access Email for the first 20 students	Educator
☐ Implement EdRising curriculum lessons and student portal resources (National Boards videos, Teaching Channel videos, podcast, Kappan magazine articles, competitions used as projects)	Educator
☐ Have students participate in competitions/contests – PDK has 25+	Educator
☐ Consider optional micro-credentials - \$75 per student if seeking the Digital Promise badge... free for use as class projects	Educator
☐ Have students participate in clinical experiences (observations, interviews, student teaching, service projects, role-playing scenarios)	Educator
☐ Have a Senior Signing Day in May – PDK has resources (use press release form to alert local media to attend for positive press)	Educator/Admin
☐ If participating in South Dakota EdRising Conference, make travel plans (February 22-23, 2026 – Black Hills State University)	Educator/Admin
