Start-up Request

The North Dakota Department of Public Instruction (NDDPI) may award up to \$20,000 to each qualifying institution for program startup and other administrative costs. Check the box below if your institution is creating a new program and requesting the \$20,000 for start-up costs.

Start-up Cost Request

Tuition Information

The NDDPI intends to establish a uniform per-student amount that all EPPs will use to request reimbursement. In the box below, outline your institution’s per-student tuition fee per credit.

Terms and Conditions

The grantee agrees to conduct this within the guidelines issued by the NDDPI and to comply with the North Dakota School District Financial Accounting and Reporting Manual ([NDSDFARM](#)) found on the NDDPI’s website.
