TRANSPORTATION AGREEMENT MEMORANDUM OF UNDERSTANDING
Between
Local Education Agency (LEA)

and

Custodial Agency (CA)

Transportation Procedures Agreement
To ensure the educational stability of Foster Care Youth:
Every Student Succeeds Act (ESSA) Requirements

This Memorandum of Understanding (MOU) addresses transportation-related provisions. Additional policies may be added to address the unique needs of each collaboration between the LEA and CA to ensure foster care youth’s educational stability. Note: This MOU is not a local transportation plan; it is an agreement between the LEA and CA to design a local transportation plan collaboratively.

Purpose:
The purpose of this agreement is to establish transportation procedures between _________________________(LEA) and ________________________(CA) to ensure the provision of transportation for foster care youth enrolled in an LEA (Pre-K – 12) when the best interest determination indicates that the student should remain in the school of origin, and alternative means of transportation to and from school have been fully explored and deemed unavailable.

Joint Responsibilities:

- The LEA and CA agree to collaborate to update or establish formal mechanisms to ensure that the LEA is promptly notified when a child enters foster care or has changes in foster care placement.
- The LEA and CA agree to collaborate to jointly design a comprehensive transportation plan to ensure that transportation for children in foster care is provided, arranged, and funded.
- Both parties agree that under no circumstances shall a transportation dispute between parties delay or interrupt the provision of transportation for a child to the school of origin.
- Both parties agree to communicate regularly and share leadership responsibilities at the local level to ensure that available resources for transportation are utilized most effectively, without duplication.
- Both parties agree that transportation must be provided in a “cost-effective” manner with low-cost/no-cost options explored. (e.g., pre-existing bus stops or public
transportation, foster parents provide transportation, transportation by other programs if the child is eligible).

- Both parties agree to maintain the confidentiality of information regarding children and families being served in accordance with the Family Education Rights and Privacy Act (FERPA) and all other State and Federal laws and regulations regarding confidentiality.
- Both parties understand that all federal, state, and local funding sources should be maximized to ensure transportation costs are not unduly burdensome on one agency.

School District Responsibilities:
- Establish a Foster Care Point of Contact (POC), given the importance of transportation to ensure educational stability requirements defined by the Every Student Succeeds Act (ESSA).
- Share the Foster Care POC’s contact information with state and local education and child welfare agencies.
- Understand that even if an LEA does not transport other students, it must ensure that transportation is provided to children in foster care, adhering to the collaboratively designed transportation plan.
- Acknowledge that Title I is an allowable funding source for additional transportation costs, although funds reserved for comparable services for homeless children and youth may not be used for transportation.
- Inform CA whether Title I funds are available to support additional transportation costs for foster care children to maintain enrollment in their school of origin.
- Agree, if applicable, to support additional transportation costs for eligible foster care youth utilizing funds made available within Title I.
- Understand if there are additional costs to provide transportation for children in foster care to remain in their school of origin, the LEA (school of origin) will provide such transportation if (1) CA agrees to reimburse the LEA for the cost of transportation; (2) the LEA agrees to pay for the additional costs; or (3) the LEA and CA agree to share the costs.
- Agree that a child must remain in their school of origin while any disputes are being resolved. Agree to provide or arrange adequate and appropriate transportation to and from the school of origin while any disputes are being resolved.

Custodial Agency Responsibilities:
- Identify all children in foster care enrolled in the LEA for the LEA and CA to fulfill the jointly agreed upon transportation responsibilities.
- Inform LEA of children in foster care who may need transportation to maintain enrollment in their school of origin.
- Agree to immediately inform the school of origin of children in foster care who experience a change of foster care placement.
- Agree, if applicable, to support transportation costs for eligible foster care youth utilizing funds made available within the county’s child welfare budget under Section 475(4)(A) of Title IV-E of the Social Security Act.
• Inform the LEA/school of origin whether Title IV-E funds are available to support additional transportation costs for foster care children to maintain enrollment in their school of origin. Agree to assist the LEA/school of origin in exploring the full range of options for providing and funding transportation to maintain a child in their school of origin, consistent with the child’s educational stability plan.

**Updates and Revisions:**
Updates and revisions to this MOU should be made as needed and maintained on file by both entities. The school district and custodial agency agree to update or revise this MOU as needed or every three years to coincide with the contractual timelines.
