Mathematics Courses for Which Algebra II is a Prerequisite

11033   Discrete Mathematics
11034   College Algebra
11037   Linear Algebra
11038   Linear Programming
11039   Abstract Algebra
11061   Calculus
11121   Analytic Geometry
11150   Probability and Statistics
11160   Trigonometry
11161   Trigonometry/Analytic Geometry
11162   Geometry/Trigonometry/Advanced Algebra
11181   Precalculus
11580   Advanced Placement Statistics
11581   Advanced Placement Calculus AB
11582   Advanced Placement Calculus BC

Computer Sciences Courses Approved as Math Credits

11041   Integrated Mathematics for Computer Science/Information Technology (Mathematics)
11042   Advanced JAVA Programming (Mathematics)
11583   Advanced Placement Computer Science A (Mathematics)
