Parent and Family Engagement

All staff should…

• Recruit and encourage parents to become partners in learning, actively engage parents in planning and learning, and in targeting school-parent programs to the needs of the community and families
• Encourage parents to be more than volunteers; parents participate in planning, review, and evaluation of the program as well as school activities and organizations
• Communicate with parents to maximize instructional time for students and foster a team effort
• Follow a philosophy that school is a place where parents, as well as children, can learn and entire families should use school facilities to meet their needs
• Communicate information to parents through their native language
• Provide examples of classroom events (e.g., video tapes, newsletters, open house, and display of student work) for parents in order to broaden their understanding of the program
• Be willing to provide transportation and childcare services for parents to participate in school activities
• Develop partnerships with local businesses and community groups to foster successful schools
