

# ACCESS Testing Summary 2022

The 2022 ACCESS test was administered in North Dakota from January 11, 2022 to February 18, 2022. The following data reflect a summary of testing data.

## Statewide

- 3667 tests were completed.
- 53 tests were partially completed.
- 224 students enrolled during the test window did not participate.
- There were 4 incidents of student plagiarism which resulted in a zero score for those items for the students involved.

The district participation percentages below calculate the number of students who completed at least one domain of the assessment compared to the number of students identified during the test window. This does not include students who did not test and were identified within two weeks of the last day of the test window or students who withdrew within two weeks of the first day of the test window.
