10th ANNIVERSARY CELEBRATION

2024 NORTH DAKOTA

INDIAN EDUCATION SUMMIT

2024 INFORMATION EXHIBITORS

AT&T - Information on discount programs for teachers and connectivity options for schools and teachers.

541 S 17th St Bismarck ND 58504, katie.schloss@att.com, 701-527-8940

Bismarck State College - BSC will offer information about the land survey and civil engineering technology, geographic information systems, and unmanned aerial system programs.

www.bismarckstate.edu, 1500 Edwards Avenue Bismarck ND

Community Options - Community Options Community Behavioral Health programs are for anyone in ND experiencing barriers caused by a mental health diagnosis, substance abuse, low income, unemployment, homelessness, etc. We proudly provide the Family Check-Up, a strengths-based family intervention to promote positive family management and address child/adolescent adjustment problems. Care Coordination assists in coordination of community-based resources and services and to help participants set goals and gain a sense of connection and support. Support Services help participants enhance their way of living and achieve self-sufficiency, assistance with the LIHEAP application, including help obtaining needed documentation.

www.communityoptionsnd.com, 4909 Shelburne Ave, Bismarck ND, referral@coresinc.org, 701-223-2417
Bryan Wetch, LeeAnn Feist, Trina Gress, Michelle Temper

Dakota Prairie Apprenticeship Readiness Program - The Dakota Prairie Apprenticeship Readiness Program is offered at the Nueta Hidatsa Sahnish College in partnership with ND's Building Trades Unions, and TradesFutures to connect Native Americans with careers in construction via the affiliated Unions of the Building Trades with introductory trade education covering safety, math, blueprint reading, tool identification, and more!

2901 Twin City Dr Mandan ND 58554, Jason@ndbtu.org, 701-541-2989

Houghton Mifflin Harcourt - Discover the power of Connected Learning solutions with HMH! Join us to explore our comprehensive K-12 curriculum solutions in the areas of Reading, Math, Science, Social Studies, Personalized Learning software, and Intervention. We also have professional coaching available for all subjects, with in-person and virtual options. From HMH's Connected digital platform to our enriching print resources, these programs will elevate your students' learning experience and accelerate student growth!

www.hmhco.com

Junior Achievement North - Now more than ever we need to provide our young people with equitable access to high-quality programs that teach the skills, knowledge, and confidence necessary to persevere through these challenging times and into the future. Junior Achievement is working to be an active part of creating lasting change. Through our proven approach, youth are empowered to be more innovative, financially savvy, and prepared for the workforce. Examples of programming beginning in kindergarten will be available for educators to preview.

www.janorth.org, joy.sparks@janorth.org, 701-415-0549

10th ANNIVERSARY CELEBRATION

2024 NORTH DAKOTA

INDIAN EDUCATION SUMMIT

2024 INFORMATION EXHIBITORS

Legal Services of North Dakota - Information regarding civil legal services available

www.lsnd.org, 4007 State Street Suite 30 Bismarck ND 58503, 701-222-2110

Marketplace for Kids - 2024-25 Education Day Schedule, Sponsor Benefits, Sample Education Day Guides, Brochures

Bob Heitkamp, <https://marketplaceforkids.org/>, 106 Mathews St Suite B, rheitkamp@mfknd.org, 701-242-7744

MDU Resources Group, Inc. - We will bring a sample of the tools, supplies, etc. used in some skilled trades jobs, for hands-on exploration and hope to network with educators regarding other career exploration activities.

www.mdu.com, www.energizemycareer.com, 701-530-1739

North Dakota State Library - The ND State Library provides library services to all residents of ND. We support public libraries and schools with providing materials to their patrons, resource sharing through our Online Library resources, book vending machines in areas without access to a public library, and interlibrary loan services. The ND State Library provides consulting services to academic, tribal, public, and school libraries. We also provide a Talking Books program for residents who are blind or have a disability that prevents the comfortable reading of standard print books.

604 E Boulevard Avenue Bismarck ND, statelib@nd.gov, 701-323-2492

State Historical Society of ND - The State Historical Society of ND's mission is to identify, preserve, interpret and promote the heritage of ND and its people. SHSND has created the North Dakota Studies curriculum which promotes teaching and learning about geography, history, and civics in ND. Through North Dakota Studies and National History Day in North Dakota, we are leading facilitators of student driven research. This booth contains information on North Dakota Studies, our historic sites and museums, the State Archives, and more programs for school aged children.

www.ndstudies.gov, ndstudies@nd.gov, 701-328-2792

Waterford.com - Waterford.org provides curriculum, professional services, and family engagement offerings that combine the science of learning, the power of mentoring, and the promise of technology to build family and community partnerships that deliver access, excellence, and equity in early education for all children. Anchored in the science of learning, students progress through an adaptive learning path in reading, math, and science, created to best support the way young children grow.
