20075	Seminar	9-12	Seminar courses vary widely, but typically offer a small peer group the opportunity to investigate areas of interest. Course objectives may include improvement of research and investigatory skills, presentation skills, interpersonal skills, group process skills, and problem-solving and critical-thinking skills. Seminars aimed at juniors and seniors often include a college and career exploration and planning component.	½ or 1 <i>Max credit = 1</i>	License Code: Any Teaching License
20076	Career Seminar	9-12	Provides students with a regularly scheduled, supervised employment opportunity related to the teacher-of-record's (TOR) major/minor in order to develop and improve work skills. The employment must be preceded by, or concurrent with, classroom instruction related to the work experience, consistent with the student's occupational goals, and related to the TOR major/minor. There shall be a training agreement among all partners to the work experience (school, employer, student, and parents/guardians) outlining the expectations of each party. The instructor shall also develop a specific training plan with the employer for each student placed. The training plan shall include provisions for assessment of student progress and for on-site visits by the instructor during the student's placement.  <b>NOTE: Students must be at least 16 years old and may be paid a wage by the employer.</b>  <b>NOTE: This course is not designed to replace any of the CTE Cooperative Work Experience courses.</b>	½ or 1 <i>Max credit = 2</i>	License Code: Any Teaching License  <b>OR</b> 47000-Career Advisor ♦ 5-12
20077	AP Research	11-12	AP Research, the second course in the AP Capstone experience, allows students to deeply explore an academic topic, problem, issue, or idea of individual interest. Students design, plan, and implement a yearlong investigation to address a research question. Through this inquiry, they further the skills they acquired in the AP Seminar course by learning research methodology, employing ethical research practices, and accessing, analyzing, and synthesizing information. Students reflect on their skill development, document their processes, and curate the artifacts of their scholarly work through a process and reflection portfolio. The course culminates in an academic paper of 4,000-5,000 words (accompanied by a performance, exhibit, or product where applicable) and a presentation with an oral defense.	1 <i>Max Credit = 1</i>	License Code: Any Teaching License
20078	AP Seminar	10-12	AP Seminar is an approved College Board Advanced Placement Course. This is a yearlong course that has students investigate real-world issues from multiple perspectives. Students learn to synthesize information from different sources, develop their own perspectives in research-based written essays, and design and deliver oral and visual presentations, both individually and as part of a team.	1 <i>Max Credit = 1</i>	License Code: Any Teaching License
