

**GOVERNOR'S SCHOOL COURSE CODES
GRADES 10-11**

Governor's School is a summer school offered program only.

Course Code	Course Name	Recommended Grade Levels	Description	High School Credit Options*	License/credential Required**
51010	Governor School – Experimental Science	10-11	Students will participate in a broad-based training program in laboratory science during the first week of Governor's Schools. They then will be paired with a mentor scientist and will join a research group (in biology, biochemistry, chemistry, materials science, pharmacy, or physics) based on the student's interest and availability of projects. The student will further develop their laboratory skills and learn quantitative data-handling techniques. The students will present their research in a poster session during the final week of Governor's Schools.	1 <i>Max credit = 1</i>	
51011	Governor School - Mathematics	10-11	The focus of the students in Mathematics will be on select areas of mathematics theory, applied discrete mathematics, and technology related to mathematics. Students also will learn about mathematics technology, such as the functioning of graphics calculators and computer software	1 <i>Max credit = 1</i>	
51012	Governor School - Information Technology	10-11	The Information Technology students will explore a broad range of computer skills and real-world applications. Students will learn Internet technologies, including Web development and networking, as well as computer programming, with a focus on developing computer games. They will interact with area professionals and work on projects, both individually and in groups.	1 <i>Max credit = 1</i>	
51013	Governor School - English Studies	10-11	Students experience a progressive "tour of the disciplines" within English studies: creative writing, literature studies, linguistics, rhetoric and composition, new media studies, and English education. Students work independently within specific areas and, assisted by a mentor, produce their cutting-edge projects. They also attend workshops on such topics as Shakespeare in film, writing for the Web, anime and gender, and dialects of the Northern Plains. The program's final product is an online journal designed, edited, and written by the students.	1 <i>Max credit = 1</i>	
51014	Governor School - Visual Arts	10-11	Scholars will immerse themselves in mediums such as printmaking, photography, sculpture, and visual graphics. The outcome of these concentrations will be to do public displays at gallery locations and perhaps at local venues.	1 <i>Max credit = 1</i>	

**GOVERNOR'S SCHOOL COURSE CODES
GRADES 10-11**

Governor's School is a summer school offered program only.

Course Code	Course Name	Recommended Grade Levels	Description	High School Credit Options*	License/credential Required**
51015	Governor School - Performing Arts	10-11	In partnership with Fargo company Theatre B, scholars will work in an ensemble-based, collaborative environment where they create and likely perform a highly creative theatrical production. They also will train together in rigorous and invigorating performance techniques.	1 <i>Max credit = 1</i>	
51016	Governor School - Engineering	10-11	Students experience mechanical, electrical, civil, industrial, manufacturing, and construction engineering during the first week of Governor's Schools. They are then paired with a research engineer mentor and join a research group based on their interest and availability of projects. Students will conduct research to discover innovative solutions to real-world problems and present their findings in a poster session during the final week of Governor's Schools.	1 <i>Max credit = 1</i>	
51018	Governor School – Architecture/ Landscape Architecture	10-11	Students will learn the basics of the design process, including ordering skills, function, structure, context, sustainability, aesthetics, historical precedent, sketching, and documenting a design solution. The students will then be engaged in designing and constructing a built object serving the needs of the Fargo-Moorhead community.	1 <i>Max credit = 1</i>	

* *High school curricular requirements are spelled out in NDCC 15.1-21-02, and High school unit - instructional time is NDCC 15.1-21-03. Maximum credit refers to the maximum units of credit a student may earn for a course over four years of high school. (Example: Band - a student may be enrolled in band all four years of high school -- earning a possible total of four units of credit.)*

** *Please refer to the second page of the teacher's North Dakota Educator's Professional license to verify which subject areas a teacher is qualified to teach. Licenses and endorsements are obtained on a teaching license from the Education Standards and Practices Board (ESPB).*

Credentials are obtained from the Department of Public Instruction (DPI) and issued to individuals with a teaching license.
