| 08030       | General Physical Education          | 9-12                     | Physical Education provides students with knowledge, experience, and an opportunity to develop skills in more than one of the following sports or activities: team sports, individual/dual sports, recreational sports, and fitness/conditioning activities.                                                                                                                                         | $\frac{1}{4}$, $\frac{1}{2}$, or 1  
Max credit = 4 |                                |
| 08031       | Adaptive Physical Education         | 9-12                     | This course provides physical education activities (sports, fitness, and conditioning) adapted for students with special needs.                                                                                                                                                                                                                 | $\frac{1}{4}$, $\frac{1}{2}$, or 1  
Max credit = 4 |                                |
| 08032       | Swimming and Water Safety           | 9-12                     | Swimming and Water Safety help students develop skills useful or necessary in an aquatic environment. Activities may focus on swimming, competitive strokes, such as freestyle, breaststroke, butterfly, and so on, or team-oriented water sports, such as water polo and relay swimming. This course may also include (or concentrate exclusively on) diving and/or lifesaving skills.                                                      | $\frac{1}{4}$, $\frac{1}{2}$, or 1  
Max credit = 1 |                                |
| 08034       | Dance I (Phy Ed)                    | 9-12                     | Dance I (Phy Ed) provides students with experience in one or several dance forms (i.e., modern, jazz, ballet, and tap). Initial classes are usually introductory in nature, while the more advanced classes concentrate on improving students' technique and may offer or require experience in choreography and dance evaluation.  
*Note: This course is taught for Physical Education credit only. For Fine and Performing Arts credit, use Dance I (Fine Arts) under Fine and Performing Arts.* | $\frac{1}{4}$, $\frac{1}{2}$, or 1  
Max credit = 4 |                                |
| 08035       | Dance II (Phy Ed)                   | 10-12                    | Dance II (Phy Ed) allows students with prior dance experience to improve techniques, experience choreography, and emphasize performance.  
*Note: This course is taught for Physical Education credit only. For Fine and Performing Arts credit, use Dance II (Fine Arts) under Fine and Performing Arts.*                                                                                             | $\frac{1}{4}$, $\frac{1}{2}$, or 1  
Max credit = 3 |                                |

* High school curricular requirements are spelled out in NDCC 15.1-21-02. Maximum credit refers to the maximum units of credit a student may earn for a course over four years of high school. (Example: Band - a student may be enrolled in band all four years of high school -- earning a possible total of four units of credit.)

** Please refer to the second page of the teacher’s North Dakota Educator’s Professional license to verify which subject areas a teacher is qualified to teach. Licenses and endorsements are obtained on a teaching license from the Education Standards and Practices Board (ESPB). Credentials are obtained from the Department of Public Instruction (DPI) and issued to individuals with a teaching license.
