

EDUCATIONAL LEADERSHIP OPPORTUNITIES

NDDPI will be awarding leadership scholarships designed specifically to meet the personalized needs of school administrators across the state.

Leaders will be able to select from a menu of opportunities provided throughout 2019-2020 to attend a program or training opportunity that directly supports the identified needs of a school or district leader.

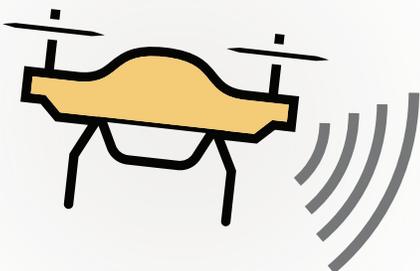

AVAILABLE LEADERSHIP OPPORTUNITIES

This unique leadership opportunity is meant to provide diverse and quality professional learning to ND leaders. We understand professional learning needs are different across the state, this is why we are offering broad options to our leaders. Learning opportunities include, but are not limited to:

- New Administrator Mentoring
- School ReTool
- SEEC's Teacher Evaluation Community of Practice
- Olson Effertz Breakthrough Academy, including courses on:
Strategy Maps, How toWork with your Board, and Strategies to Pass Referendum
