<tr>
<td><strong>Birth to 6 Months</strong></td>
<td><strong>Birth to 6 Months</strong></td>
<td><strong>Birth to 6 Months</strong></td>
</tr>
<tr>
<td>• Fixating on the human face and tracking or following movements presented at 9-12 inches from the face.</td>
<td>• Beginning to reach for objects.</td>
<td>• Producing different cries for different reasons.</td>
</tr>
<tr>
<td>• Turning their head and eyes in the direction of the parent voice.</td>
<td>• Observing hands and fingers.</td>
<td>• Beginning to reach for objects.</td>
</tr>
<tr>
<td>• Being comforted and appearing to enjoy touch and being held by a familiar adult.</td>
<td>• Looking to place on body where being touched.</td>
<td>• Rolling over in one direction.</td>
</tr>
<tr>
<td>• Anticipating being lifted or fed and moving body toward caregiver when being approached.</td>
<td>• Clasping hands together and exploring fingers.</td>
<td>• Sitting independently with minimal assistance.</td>
</tr>
<tr>
<td>• Smiling spontaneously to human contact, smiling in play, and smiling at self in mirror.</td>
<td>• Trying to cause things to happen such as kicking a mobile and smiling.</td>
<td>• Bringing hands together at midline.</td>
</tr>
<tr>
<td>• Initiating and terminating social interactions.</td>
<td>• Squeezing a rubber toy and shows pleasure.</td>
<td>• Rooting reflex; turns mouth toward hand rubbing cheek</td>
</tr>
<tr>
<td>• Enjoying games with others such as “Where is your nose?” and “So Big!”</td>
<td>• Dropping a ball and observing the fall.</td>
<td>• Expressing displeasure when clothes are pulled over head</td>
</tr>
<tr>
<td>• Vocalizing in response to babbling behavior initiated by adult</td>
<td>• Developing more precise imitation skills of facial movements and speech sounds.</td>
<td>• Enjoying bath; keeps eyes open and indicates pleasure when placed in warm water</td>
</tr>
<tr>
<td>• Vocalizing in response to vocalizations and speech produced by an adult</td>
<td>• Securing an object that is partially hidden with a cloth.</td>
<td>• Walking reflex; when held upright with feet resting on flat surfaces, lifts feet alternately in walking-life motion</td>
</tr>
<tr>
<td></td>
<td>• Repeating arm movements to keep a toy activated, keep mom singing, or other causal event.</td>
<td>• Lifting and rotating head</td>
</tr>
<tr>
<td></td>
<td>• Demonstrating exploratory behaviors with objects</td>
<td>• Holding small objects or toys</td>
</tr>
<tr>
<td></td>
<td>• Varying pitch and intonation</td>
<td></td>
</tr>
<tr>
<td>7 to 12 Months</td>
<td>7 to 12 Months</td>
<td>7 to 12 Months</td>
</tr>
<tr>
<td>-----------------------------------------------------------------------------------------------------</td>
<td>-----------------------------------------------------------------------------------------------------</td>
<td>-----------------------------------------------------------------------------------------------------</td>
</tr>
<tr>
<td>• Imitating familiar words in turn-taking</td>
<td>• Visually attending to an object for 5 seconds</td>
<td>• Pulling self up to standing posture next to furniture.</td>
</tr>
<tr>
<td>• Smiling and laughing during turn-taking</td>
<td>• Following an auditory stimulus.</td>
<td>• Cruising around furniture.</td>
</tr>
<tr>
<td>• Participating in games (pat-a-cake, peek-a-boo)</td>
<td>• Reaching for and grasping blocks or other small toys</td>
<td>• Drinking from a cup.</td>
</tr>
<tr>
<td>• Demonstrating anticipation of play activities</td>
<td>• Transferring objects from one hand to another</td>
<td>• Beginning to pick up cup and take a few swallows when thirsty</td>
</tr>
<tr>
<td>• Showing sensitivity to the mood of others</td>
<td>• Reaching for objects while in a prone position</td>
<td>• Beginning to feed self finger food.</td>
</tr>
<tr>
<td>• Performing for social attention</td>
<td>• Demonstrating a refined neat-pincer grasp with thumb opposition</td>
<td>• Beginning to grab for spoon when being fed.</td>
</tr>
<tr>
<td>• Participating in speech routine games</td>
<td>• Pointing with index finger</td>
<td>• Moving 3 or more feet by crawling.</td>
</tr>
<tr>
<td>• Exhibiting anxious behavior around unfamiliar adults</td>
<td>• Imitating the behaviors initiated by the parent including: Plays peek-a-boo, smiling and laughing</td>
<td>• Bringing self to a sitting position when lying on back.</td>
</tr>
<tr>
<td>• Using gestures and vocalizing to protest</td>
<td>during turn-taking, Attempting to name pictures and objects</td>
<td>• Reaching for and grasping blocks or other small toys</td>
</tr>
<tr>
<td>• Shouting or vocalizing to gain attention</td>
<td>• Banging blocks and other small toys</td>
<td>• Transferring objects from one hand to another</td>
</tr>
<tr>
<td>• Responding to a request of “come here”</td>
<td>• Repeatedly throwing or dropping objects to watch the movement</td>
<td>• Reaching for objects while in a prone position</td>
</tr>
<tr>
<td>• Stopping when name is called</td>
<td>• Stirring with a spoon in a cup</td>
<td>• Demonstrating a refined neat-pincer grasp with thumb opposition</td>
</tr>
<tr>
<td>• Maintaining attention to speaker</td>
<td>• Banging spoon on inverted cup or tabletop.</td>
<td>• Pointing with index finger</td>
</tr>
<tr>
<td>• Responding with gesture to “come up” or “want up”</td>
<td>• Demonstrating emerging problem solving skills such as: Placing objects in the mouth and mouthing,</td>
<td>• Moving body to music</td>
</tr>
<tr>
<td>• Waving in response to “bye-bye”</td>
<td>Pushing or pulling an adult’s hands to have a behavior instigated or repeated.</td>
<td>• Pulling off own socks</td>
</tr>
<tr>
<td>• Saying “mama” or “dada” meaningfully</td>
<td>Repeating a behavior (shows off) to maintain adult attention.</td>
<td>• Beginning to cooperate when being dressed</td>
</tr>
<tr>
<td>• Using a word to call a person</td>
<td>Pushing or pulling an adult’s hands to have a behavior instigated or repeated.</td>
<td>• Fussing when diaper needs to be changed</td>
</tr>
<tr>
<td>• Pushing or pulling an adult’s hand to have a behavior instigated or repeated</td>
<td>Repeating a behavior (shows off) to maintain adult attention.</td>
<td></td>
</tr>
<tr>
<td>• Repeating a behavior (shows off) to maintain adult attention</td>
<td>Showing attachment to favorite toy or blanket</td>
<td></td>
</tr>
<tr>
<td>• Showing two or more emotions (pleasure, fear, sadness)</td>
<td>Expressing attachment to favorite toy or blanket</td>
<td></td>
</tr>
<tr>
<td>• Expressing two or more emotions (pleasure, fear, sadness)</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
- Briefly stopping behavior when told “no”

- To view the functional side. Using a hammer or stick to play a xylophone
- Singing along with a familiar song
- Using gesture and vocalizing to protest
- Shouting or vocalizing to gain attention
- Responding to a request to “come here”
- Stopping when name is called
- Maintaining attention to speaker
- Responding with gesture to “come up” or “want up”
- Waving in response to “bye-bye”
- Saying “mama” or “dada” meaningfully
- Imitating consonant and vowel combinations
- Imitating non-speech sounds
- Vocalizing with intent frequently
- Using a word to call a person
- Giving objects upon verbal request
- Performing a routine activity upon verbal request
- Looking at familiar objects and people when named
- Understanding simple questions
- Identifying two body parts on self
- Demonstrating intense attention to adult language.

<p>| <strong>Outcome 1:</strong> Social Emotional Skills | <strong>Outcome 2:</strong> Acquiring Skills and Knowledge | <strong>Outcome 3:</strong> Taking Appropriate Action to Meet Needs |</p>

<td>Catching ball (by trapping against body) when playing with adult or peer</td>
</tr>
</tbody>
</table>
“What do you sleep on?”
“What do you brush your teeth with?”

- Understanding size differences (little doll, large dog)
- Following directions involving common prepositions: in, on, behind, out
- Enjoying finger plays (songs and games that use hands)
- Reciting portions of rhymes/finger plays
- Responding to action words by performing the action
- Responding by looking when directed toward a certain object
- Attempting to locate objects when they are discussed by others
- Speaking in two or three word sentences. Jargon and echolalia are almost gone
- Often using personal pronouns (I, You, He, It, Me) correctly
- Using regular plurals (cats, dogs, balls)
- Using morphemes (in, on)
- Correctly producing phonemes (-s, -d, -k, f, -f, -ng, y)
- Saying “No!” to adult request
- Using concept “mine” to denote possessiveness
- Repeating adult phrases
- Recounting an event, with assistance
- Beginning to recall parts of a previously heard story
- Requesting to hear familiar stories

</table>

**Outcome 1:** Social Emotional Skills
Children demonstrate age appropriate functioning by...

- 31-36 Months
  - Observing other children at play; may join in for a few minutes
  - Playing well with two or three children in group; Associative play predominates
  - Showing interest in other children
  - Having difficulty sharing
  - Displaying affection for caregivers
  - Separating easily from parent or caregiver in familiar environment
  - Showing facial expressions and behaviors indicating pity, shame, modesty
  - Sometimes being restless, rebellious, very active

**Outcome 2:** Acquiring Skills and Knowledge
Children demonstrate age appropriate functioning by...

- 31-36 Months
  - Understanding concepts of “mine” and “his/hers”
  - Telling gender when asked
  - Sometimes labeling and talking about own drawings when asked
  - Giving first and last name when asked
  - Understanding common verbs like “run, jump, walk, etc”
  - Using several verb forms correctly in relating action in pictures
  - Understanding common prepositions like (under, in front of, behind)
  - Understanding common adjectives of color, size, and shape

**Outcome 3:** Taking Appropriate Action to Meet Needs
Children demonstrate age appropriate functioning by...

- 31-36 Months
  - Using a fork to spear bite sized chunks of food
  - Hopping in place on one foot three times without losing balance
  - Standing on one foot for three seconds
  - Jumping over a string or other object that is two inches high
  - Showing daytime control of toileting needs with occasional accidents
  - Verbalizing toilet needs fairly consistently
  - Following basic health practices when reminded (washing and drying hands, brushing teeth)
- Becoming resistant, dawdles
- Throwing tantrums when thwarted or unable to express urgent needs
- Objecting to major changes in routines
- Imitating adults and playmates
- Using toys in appropriate ways
- Verbalizing play plan for assigned role (“I am mother” “You be baby” “I cook” “You watch TV”)
- Verbalizing play plan and uses pretend props which are identified for benefit of adult (“This is our house (box)“)
- Following simple rules
- Taking turns in games
- Understanding concepts of “mine” and “his/hers”
- Playing interactive games
- Listening and participating in group activities with adult supervision
- Enjoying opportunities for pretend play and creating things
- Pretending and using imagination during play
- Altering behavior based on a past event and builds on it (This didn’t work, so I will try this)
- Relating an experience today to one that happened in the past (brush teeth before bed, washing hands before eating a meal)
- Saying “please” and “thank you” when reminded
- Stating whether they are a boy or a girl
- Carrying out three simple commands given at one time
- Showing interest in explanations that involve “why” and “how”
- Understanding concept of “one”
- Relating experiences from recent past
- Using four to six word phrases or sentences
- Making negative statements (“Can’t open it,” “Don't touch”)
- Beginning to use contractions (can’t, we’ll, won’t)
- Using noun phrase with article (“The dog barks,” “The water hot”)
- Beginning to use auxiliary verbs (“I hafta sleep” “Me gonna get it”)
- Using the present progressive adding “ing” to verbs
- Using the past tense
- Using prepositions (on, in, under, behind)
- Using simple possessives (“Doggies’ tail,” “Daddy’s shirt”)
- Using verb forms correctly (“He walks,” “She walked,” “I walked”)
- Correctly producing phonemes (-t, -r, -b, w, -ir)
- Using contractible auxiliary (“Mommy’s eating an apple“)
- Dictating a story for adult to write out
- Performing multi-step tasks (takes money, rings cash register, puts money in drawer when playing)
- Screwing lid on jar
- Unbuttoning buttons
- Separating easily from mother in familiar environment
- Following simple rules
- Getting a drink from a fountain
- Cutting paper from one side to opposite side
- Discriminating shapes by tactile discrimination
- Walking upstairs alternating feet
- Walking downstairs four steps without support, placing both feet on each step
- Enjoying projects that involve paint, scissors and glue
Outcome 1:  
Social Emotional Skills  
Children demonstrate age appropriate functioning by.....  

37-48 Months
- Demonstrating body spatial awareness in relationship to stationary objects
- Participating in movement games such as “Red Light, Green Light,” “Ring Around the Rosie,” “Follow the Leader,” “Freeze Tag,” where children can run and stop or change direction while in motion.
- Responding to and making a verbal greeting
- Delivering simple messages
- Changing tone of voice and sentence structure to match listener’s level of understanding
- Enjoying playing alone, but near other children
- Beginning to show cooperative play without adult supervision
- Enjoying playing with other children briefly, but still may not cooperate or share well

Outcome 2:  
Acquiring Skills and Knowledge  
Children demonstrate age appropriate functioning by.....  

37-48 Months
- Drawing a person with head three additional features
- Relaying simple messages
- Connecting consequences to a specific behavior, but may not understand why the behavior warrants the consequence
- Using multiple strategies to solve problems
- Changing tone of voice and sentence structure to match listener’s level of understanding
- Describing self using several basic characteristics (first and last name, gender, age, family, talents, skills, etc.)
- Accepting suggestions and following simple directions
- Connecting consequences to a specific behavior, but may not understand why the behavior warrants the consequence
- Accepting the consequences of one’s own actions

Outcome 3:  
Taking Appropriate Action to Meet Needs  
Children demonstrate age appropriate functioning by.....  

37-48 Months
- Sleeping through most nights without wetting the bed (occasional accidents are still quite common)
- Using the toilet with some help (many boys may not be ready for toilet learning until 3½)
- Buttoning one button
- Using tools appropriately (wooden hammers, spoon and fork, scissors, crayons, markers, pencils)
- Performing tasks using more refined and dexterous motions (buttoning, zipping, attempts tying shoes)
- Walking upstairs and downstairs alternating feet without holding on to rail
- Demonstrating body spatial awareness in relationship to stationary objects
- Exploring a variety of movements (pulling, crawling, catching balls, throwing bean bags, waving scarves, kicking balls, etc.)
| • Demonstrating fears  
  (mechanical toys, vacuum cleaner, thunder, dark) |
| • Wanting to be “big girl”, “big boy”, and acquire new skills |
| • Answering the question, “Are you a boy or a girl?” correctly |
| • Identifying feelings, likes and dislikes, but may not be able to explain why |
| • Communicating emotions to peers in an appropriate manner |
| • Describing self using several basic characteristics (first and last name, gender, age, family, talents, skills, etc.) |
| • Generally obeying adult requests |
| • Understanding another’s perspective |
| • Accepting suggestions and follows simple directions |
| • Managing transitions |
| • Connecting consequences to a specific behavior, but may not understand why the behavior warrants the consequence |
| • Accepting the consequences of one’s own actions |
| • Using multiple strategies to solve problems |
| • Asking for help from other sources when solving social and/or cognitive problems |
| • Referring more frequently to the activities of others |
| • Referring more frequently to objects and events removed in time |
| • Using some alternative forms that take context differences into account (speaker, hearer, pronoun distinctions, articles and ellipsis based on shared information) |
| • Elaborating and expanding other’s utterances |
| • Asking questions about persons and things |
| • Verbalizing opposite analogies |
| • Completing simple analogies (“We eat with a _____,” “We sleep on a ______.”) |
| • Following 3 step commands given in a complex sentence |
| • Comprehending congruent and incongruent tasks (“Can you stand up and sit down at the same time?”) |
| • Understanding temporal terms (before and after) |
| • Understanding “now, soon, later” |
| • Understanding prepositions in temporal expressions (in a week, after awhile) |
| • Understanding concept of more |
| • Listening attentively to short stories; enjoying familiar stories told without any changes in words |

| • Using multiple strategies to match listener’s level of understanding |
| • Accepting suggestions and follows simple directions |
| • Feeding self with spoon and small fork, spilling very little |
| • Buttering bread with small knife |

| • Changing tone of voice and sentence structure to match listener’s level of understanding |

11
• Completing favorite tasks and activities over and over again
• Being persistent in trying to complete tasks when previous attempts have not been successful (completing a puzzle, building a tower or structure, dressing self)
• Participating in meal times with minimal distractions
• Inventing new activities or games
• Using imagination to create a variety of ideas
• Creating acceptable rules for group activities
• Engaging in extensive pretend play (playing house, dinosaurs, fireman, etc.)
• Representing things in environment with available materials, moving from simple to complex representations (building a bridge, structure or road from blocks)
• Thinking out loud and talking through a situation
• Working out problems mentally rather than through trial and error
• Accepting suggestions and following simple directions

• Recognizing everyday sounds
• Selecting specific details in a story and repeats them
• Responding to questions with appropriate answers
• Gaining information through listening
• Using an average sentence length is four words
• Consistently using complete sentences
• Speaking clearly enough so that 75-80 percent of speech is understandable to the unfamiliar listener
• Stumbling over words at times
• Using negative phrases other than “No” (“Don’t do that!”)
• Naming four colors
• Using irregular plurals (sheep, leaves, mice)
• Using prepositions in phrases (“The box is behind the couch”)
• Using possessive pronouns (his, hers, theirs)
• Correctly producing phonemes (s, -l, -g, er)
• Beginning to use the articles “the” and “a”
• Responding correctly to questions (who, when, where)
• Using some adverbs (softly, loudly)
• Using “s” to make plural nouns
• Using “ed” on verbs to include past tense (petted, walked, cooked)
• Using imperatives (“Do it!”)
• Enjoys singing a simple tune
• Recounting some details of a recent event
• Telling a short make believe story with assistance
• Participating in conversations about a variety of topics
• Mimicking animal sounds
• Repeating words or ideas to be sure information is communicated
• Stating point of view, likes/dislikes, and opinions using words, signs or picture boards
• Counting by rote to 5
• Stacking rings on a peg in order of size
• Sorting by shapes and color
• Understanding the concept of the number 3 (Give me 3)
• Building bridge using three blocks
• Matching objects that have the same function (comb and brush)
• Sorting objects into categories—may not be able to label categories
• Telling own age and gender

</tbody>
</table>
- Engaging in cooperative play
- Initiating appropriate tasks without being reminded
- Attending during large group for 10 minutes
- Waiting for turn for adult attention
- Relating new experiences to past
- Working cooperatively with others in completing a task
- Showing forethought when engaging in activities
- Separating from parents without crying
- Having a best friend of the same gender

- Matching sounds in familiar songs
- Clapping syllables in name
- Identifying some letter sounds
- Articulating the difference between beginning and ending sounds (Child can say the word) fish/dish, can/cat, ring/rat, bat/hat
- Substituting sounds in words: bat-rat, hat-hit, rag-rat
- Verbally identifying the beginning sound of name
- Identifying letters in first and last name
- Recognizing in print first, middle and last name
- Verbally identifying signs in environment
- Verbally identifying labels in classroom and home (cereal, names, calendar)
- Using print forms in imaginary play (menu, lists, newspaper)
- Responding to questions relating to story
- Completing a sentence that repeats itself in a familiar story
- Acting out stories from a book (Three Little Pigs)
- Attending while being read to for 4-10 minutes
- Showing interest in reading related activities, such as Independently looking at a book or drawing pictures based on a story, etc.
- Constructing complex structures with vertical, horizontal and symmetrical lines

- Demonstrating meal time skills including: setting table, using knife to spread and cut, holding glass while pouring milk, serving self, cleaning up spills without help
- Looking both ways before crossing street
- Independently fastening seat belt in automobile
- Making activity choices without teacher’s help
- Zipping zippers
- Lacing shoes
- Dressing and undressing independently, including front fastenings, requiring assistance with ties and back fastenings
- Jumping over objects 5 to 6 inches high; landing with feet together
- Cutting a circle with a scissor
- Galloping, leading with one foot
- Completing a simple treasure hunt map
• Pretending to write following natural progression of left to right, top to bottom
• Beginning to make real letters
• Copying letters of first name and symbols
• Giving 3, 5, 7 objects upon request
• Recognizing number symbols
• Extending patterns of object
• Naming small, medium and large (What size is this?)
• Rote counting objects to ten
• Counting objects to five
• Understanding concepts of more, less, add, take away
• Arranging different colored blocks according to teacher design
• Classifying numbers
• Beginning to understand simple logical problems
• Making comparisons among objects
• Demonstrating an awareness that different families practice different traditions
• Enjoying stories, poems about different peoples
• Demonstrating an awareness of rules
• Using objects such as cash registers and other occupational tools to role play various occupations
• Placing common household objects in the appropriate rooms of a house
• Describing why it is important to keep passageways clear of clutter
- Discussing why it is important to keep passageways clear of clutter
- Using a computer software program to complete a learning activity
- Using a CD player or tape player to listen to songs or stories
- Asking questions about persons and things
- Elaborating and expanding on others’ utterances
- Sequencing a story using at least 3 pictures
- Following prepositional directions on/around/over/under
- Pointing to shoulder, hand, neck, arms, elbow, knee, chin, legs
- Naming mouth, eye, ear, nose and fingers
- Demonstrating understanding of when and why
- Following 3-4 directions given at one time and carried out over time
- Retelling an experience
- Responding appropriately (verbally) to requests made by adults
- Calling teachers and peers by name
- Using at least 5-6 word sentences
- Using “I”, “me”, “you”, “mine”
- Telling middle name, last name, parent’s name, address, telephone number, birthday, days of week
- Asking definitions of words
- Asking questions about people and things
Using regular plurals, past tense, -ing verbs and possessives
Labeling items when group name is given (“what are coats, shoes and pants?”)
Using trial and error to experiment with a variety of solutions
Following through on a task until completed
Repeating number & word groupings modeled by the teacher
Recalling object placement, missing parts and identifies added object
Matching, pointing to and naming 6 to 8 colors

**Outcome 1:**
Social Emotional Skills
Children demonstrate age appropriate functioning by.....

61-72 Months
- Recognizing that there are “good” and “bad” touches
- Balancing his own needs with the needs of others
- Responding verbally and positively to good fortunes of others
- Having a best friend/group of friends
- Interacting with familiar adults
- Separating and reuniting appropriately from primary family member
- Independently completing a project
- Naming feelings, i.e. happy, sad, angry, surprised, worried, fearful

**Outcome 2:**
Acquiring Skills and Knowledge
Children demonstrate age appropriate functioning by.....

61-72 Months
- Understanding that it is unsafe to accept rides, food or money from strangers
- Recognizing that there are “good” and “bad” touches
- Progressing from using scribbles to shapes and pictures that represent more detailed ideas
- Naming feelings, i.e. happy, sad, angry, surprised, worried, fearful
- Solving conflicts by using thinking skills
- Telling similarities and differences
- Predicting what will happen next
- Knowing what to do in unfamiliar situations (emergencies)

**Outcome 3:**
Taking Appropriate Action to Meet Needs
Children demonstrate age appropriate functioning by.....

61-72 Months
- Obeying traffic lights and signs
- Covering mouth and nose when coughing/sneezing
- Brushing teeth following good dental hygiene procedures
- Understanding that it is unsafe to accept rides, food or money from strangers
- Recognizing that there are “good” and “bad” touches
- Running smoothly with changes in speed
- Cutting soft food with knife
- Assisting in food preparation requiring mixing and cooking
- Requiring minimal supervision and help with dressing and undressing
- Demonstrating tenderness & protectiveness toward younger children & pets
- Predicting classroom routines and guiding other children in routines
- Solving conflicts by using thinking skills
- Conforming to adult ideas
- Participating in pretend reading activities with other children
- Modifying activities when new ideas are presented

| Pointing out common words in stories |
| Discriminating middle sounds in words: cup, cap |
| Articulating the middle sounds in words |
| Naming the sound spoken /mm/, /tt/, /bb/ “monkey; many, moon money. These words start with what sound? |
| Clapping syllables in their name |
| Identifying beginning sound of name and/or familiar words and find another with the same sound: “My name is Mary. His name is Matt. They both begin with /mm/ and/or the same letter |
| Identifying most letter sounds |
| Recognizing most letters |
| Naming most letters |
| Using letters that represent sounds in writing words (phonetic spelling) |
| Recalling single words from single presentation (stop sign) |
| Predicting what will happen in a story |
| Accurately relating familiar story |
| Attending while being read to for more than 10 minutes |
| Writing to communicate |
| Stringing invented words together leaving spaces between words |
| Printing name independently |
| Printing various letters of the alphabet independently |
| Making up patterns with objects |

- Bathing without assistance
- Selecting own clothes
- Being responsible for one household chore
- Making own bed when asked
- Understanding that it is unsafe to accept rides, food or money from strangers
- Using imagination and inventiveness to create novel experiences
- Making number comparisons between groupings of concrete objects (this is one, this is three)
- Matching numbers with objects
- Understanding concepts of greater than, fewer, equal to
- Knowing sums to five
- Knowing subtracting from five
- Independently printing symbols
- Understanding concepts of hot/cold, fast/slow, short/long, thin/fat, night/day
- Identifying and describing sameness and differences of objects
- Sorting and collecting objects according to two or more attributes
- Asking questions and answering questions about measurement, comparison and size
- Predicting changes in form which may occur with ingredients
- Creating own set of instructions using amounts, ingredients and equipment
- Identifying similarities and differences in people’s living patterns
- Demonstrating a beginning awareness of state and country
- Demonstrating initial understanding of how people rely on each other to obtain goods and services
- Describing different community jobs
- Describing characteristics of shapes
- Creating by folding, cutting, drawing, models of circles, squares, triangles and rectangles using various materials.
- Understanding that most natural events occur in comprehensible, consistent patterns
- Describing patterns of structure and function in living things
- Describing how different technologies affect people's lives (telephone, computer, TV)
- Using more Abstract/logical thinking (understand opposites and simple analogies)
- Sequencing a story using four or more pictures
- Demonstrating knowledge of numerous finger plays
- Following complex directions given at one time that may be carried out over time
- Pointing to and naming hip, waist, toenails, chest, eyebrows, jaw, stomach, fingernails, back, wrist, cheek
- Sorting pictures/objects with multiple elements, i.e. large, red, star
- Telling own/city, state, months of the year, current year
- Using compound sentences connected with and or or
- Expressing feelings using appropriate words
- Maintaining a conversation using multiple verbal turn-taking
- Explaining rules of game or activity
- Labeling a group with no pictures (“What are cookies, hamburgers and carrots?”)
- Giving function of a group with no pictures (“What are coats, shirts and pants for?”)
- Using expanded length (more than 6 words) and complex sentences
- Using irregular verbs and comparative forms of words
- Using he, she, our, they, during spontaneous conversation
- Matching, pointing to and naming 8-10 colors
- Anticipating events showing an understanding of time
- Demonstrating an understanding of time concepts-morning, afternoon, tonight, today, tomorrow, yesterday, last night
- Demonstrating knowledge of how objects come apart and fit together
- Demonstrating the ability to look ahead and visualize a solution
- Repeating number and word groupings as modeled by the teacher
- Recalling object placement, missing parts and identifies added objects and shapes
