Unlike the student and parent instruments, the teacher form of this instrument is divided into Form A and B. Form A includes only those foils regarding accommodations relating to academic needs in secondary school and future postsecondary education. Form B includes all foils regarding employment related issues. These forms may be used in a number of manners. A case manager/teacher may choose to complete both Form A and B if appropriate. The case manager/teacher may choose to request that Form B of the instrument be completed by a teacher who works with the student directly in a tech-prep, school-to-work, or career/vocational area of education. The case manager/teacher may choose to complete only Form A or only Form B of the instrument as appropriate based on their observations of the student in either an academic or vocational setting.

Form A includes eight foils (numbers 1, 4, 6, 7, 8, 11, 12, and 13) related to academic skills and postsecondary education. Form B includes eight foils (numbers 2, 3, 5, 9, 10, 14, 15, and 16) related to employment skills. These numbers correspond with the numbered foils found on the student and parent forms to simplify the graphing and presentation of all data.

Please circle the one number that best describes the above student’s knowledge and skill level related to each of the statements below.
