Our vision is that all students will graduate choice ready with the knowledge, skills, and disposition to be successful.

We will make progress toward this vision by achieving these long-term outcomes for students:

- Increase students who enter kindergarten prepared to learn, and increase the number of kindergarten classrooms that meet the needs of every learner
- Increase students who demonstrate reading proficiency in 3rd grade
- Increase students who meet expected learning gains each year
- Increase students who engage in learning
- Increase students who graduate Choice Ready
- Reduce the disparity in achievement for students with disabilities, students in poverty, and Native American students

We will drive improvement on these outcomes through focused effort within these strategic themes:

- Quality early childhood experiences
- Support for safe and healthy behaviors
- Career awareness, exploration, and development
- Quality education personnel
- Quality student-centered instruction
