About us

Northern Cass School District provides a personalized learning experience for over 700 learners. Over the past eight years, the district has implemented a Personalized Competency-Based Learning (PCBL) system, focusing on individual learner needs and whole-child development. Northern Cass is a Full-Service Community School and part of the NDFSC Consortium, providing support services for learners and families to overcome barriers to learning. Northern Cass recognizes education that focuses on both academics and nurturing the overall well-being of learners creates the conditions for success now and in the future.
