II A-22	Prof develop for teachers/principals to integrate technology to improve teaching, learning, and technology literacy
II A-23	Prof develop coordinated with Title II Part D activities
II A-24	Cost-effective strategies for implementing prof develop, such as through the use of technology and distance learning
II A-25	Tenure reform programs
II A-26	Merit pay programs
II A-27	Testing elementary/secondary teachers in the academic subjects that they teach
II A-28	Prof develop to improve the quality of principals/superintendents
II A-29	Teacher advancement initiatives to promote prof growth & multiple career paths and pay differentiation
II A-30	Programs for exemplary teachers

- II A-31 Other (specify)
- II A-32 Nonpublic--Prof develop to improve the knowledge of teachers and paraprofessionals in core subject areas
- II A-33 Nonpublic--Prof develop to improve the knowledge of principals
- II A-34 Nonpublic--Prof develop for teachers in curriculum develop & instructional strategies, methods, skills, use of state standards/assess
- II A-35 Nonpublic--Prof develop for principals in curriculum develop & instructional strategies, methods, skills, use of state standards/assess
- II A-36 Nonpublic--Prof develop for teachers/principals in classroom practices involving collaborative groups of teachers & administrators
- II A-37 Nonpublic--Prof develop for teachers/principals in classroom practices addressing needs of students w/ different learning styles
- II A-38 Nonpublic--Prof develop for teachers/principals in classroom practices to improve student behavior & identify early interventions
- II A-39 Nonpublic--Prof develop for teachers/principals enabling them to involve parents in their children's education
- II A-40 Nonpublic--Prof develop for teachers/principals to understand & use data and assessments to improve student learning
- II A-41 Nonpublic--Teacher mentoring programs
- II A-42 Nonpublic--Prof develop for teachers/principals to integrate technology to improve teaching, learning, and technology literacy
- II A-43 Nonpublic--Prof develop to improve the quality of principals/superintendents
- II A-44 Indirect costs (object code 900 include public and nonpublic)

Transfer/REAP Title II Part D

Activity Code	Description
II D-1	Hire technology coordinator (must be supplemental and not supplant other funds)
II D-2	Acquire connectivity linkages, resources, services to improve academic achievement
II D-5	Innovative distance learning strategies
II D-6	Implement proven/effective courses/curricula to include integrated technology
II D-7	Promote parental involvement/foster communication on curricula, assignments, and assessments
II D-8	Prepare teachers as technology leaders to assist other teachers
II D-9	Enhance/acquire technology to improve student achievement (i.e. computers and peripherals). Specify equipment to be purchased)
II D-10	Enhance/acquire education software to support education reforms & improve student achievement (includes online assessments/testing)
II D-11	Technology programs to collect, manage, analyze data. Do not include professional development.
II D-12	Implement performance measurement systems to determine effectiveness of education technology programs
II D-13	Develop, enhance, or implement information technology courses
II D-15	Professional development conducted by district staff focused on integrating technology into the curriculum
II D-16	Professional development conducted by non-district staff (i.e. Edutech or a hardware/software vendor) focused on integrating technology into the curriculum
II D-17	Professional development in the use of technology
II D-19	Nonpublic--Implement proven/effective courses/curricula to include integrated technology
II D-20	Nonpublic--Promote parental involvement/foster communication on curricula, assignments, and assessments
II D-21	Nonpublic--Prepare teachers as technology leaders to assist other teachers
II D-22	Nonpublic--Enhance/acquire technology to improve student achievement (i.e. computers and peripherals). Specify equipment to be purchased)
II D-23	Nonpublic--Enhance/acquire education software to improve student achievement (includes online assessments/testing)
II D-24	Nonpublic--Technology programs to collect, manage, analyze data. Do not include professional development.
II D-25	Nonpublic--Implement performance measurement systems to determine effectiveness of education technology programs
II D-26	Nonpublic--Develop, enhance, or implement information technology courses
II D-27	Nonpublic--Professional development conducted by district staff focused on integrating technology into the curriculum
II D-28	Nonpublic--Professional development conducted by non-district staff (i.e. Edutech or a hardware/software vendor) focused on integrating technology into the curriculum
II D-29	Nonpublic--Professional development in the use of technology
II D-31	Indirect Costs (object code 900 include public and nonpublic)

Transfer/REAP Title III Part A

Activity Code	Description
---------------	-------------

III-1	Hire licensed program personnel
III-2	Hire program support staff
III-3	Provide professional development for staff serving LEP students
III-3.1	Provide professional development for all staff
III-4	Purchase supplemental instructional materials and supplies
III-5	Purchase supplemental assessment materials and supplies
III-6	Purchase supplemental equipment for instruction
III-7	Provide parental involvement opportunities and training
III-8	Participate in Title III state/national meetings and conferences
III-9	Develop standards based curricula and activities
III-11	Other activities (specify)
III-12	Nonpublic--Provide professional development for staff serving LEP students
III-13	Nonpublic--Purchase supplemental instructional materials and supplies
III-14	Nonpublic--Purchase supplemental assessment materials and supplies
III-15	Nonpublic--Purchase supplemental equipment for instruction
III-16	Nonpublic--Provide parental involvement opportunities and training
III-17	Nonpublic--Participate in Title III state/national meetings and conferences
III-18	Nonpublic--Develop standards based curricula and activities
III-20	Indirect cost (object code 900)

Transfer/REAP Title IV

Activity Code	Description
IV-1	Age approp/developmentally-based drug prevention prog/curriculum that a) address consequences of illegal drug use, b) promote individual responsibility, c) teach students that most people do not illegally use drugs, d) teach social and peer pressure skills to resist illegal drug use, e) teach about the dangers of drugs, f) engage students in the learning process, g) reinforce in secondary schools the prevention activities implemented in elementary schools (specify curriculum)
IV-2	Parent and community-wide planning and involvement in drug and alcohol prevention

IV-22	Improve programs that respond to needs of youth faced with domestic violence or child abuse
IV-23	*Hiring and training school security personnel
IV-24	*Acquiring and installing metal detectors, surveillance cameras, canine searches
IV-25	*Comprehensive school security plans
IV-26	*Reporting criminal offenses committed on school property
IV-27	*Supporting safe zones including bicycle and pedestrian safety programs
IV-28	Other (Please specify)
IV-29	Nonpublic--Age approp/developmentally-based drug prevention prog/curriculum that a) address consequences of illegal drug use, b) promote individual responsibility, c) teach students that most people do not illegally use drugs, d) teach social and peer pressure skills to resist illegal drug use, e) teach about the dangers of drugs, f) engage students in the learning process, g) reinforce in secondary schools the prevention activities implemented in elementary schools (specify curriculum)
IV-30	Nonpublic--Parent and community-wide planning and involvement in drug and alcohol prevention
IV-31	Nonpublic--Professional development and training (school personnel, parents, and community members) (specify topic of training)
IV-32	Nonpublic--Disseminate drug and violence information to schools

- IV-33 Nonpublic--Will provide training in and utilize services relating to conflict resolution & peer mediation
- IV-34 Nonpublic--Evaluation and collection of objective data to assess program needs and program success
- IV-35 Nonpublic--Expand school-based mental health services
- IV-36 Nonpublic--Alternative education programs for violent & drug abusing students to reduce need for suspension/expulsion or to serve those who have been suspended/expelled

- IV-37 Nonpublic--Student assistance: counseling, mentoring, referral services
- IV-38 Nonpublic--Programs that encourage communication with trusted adults
- IV-39 Nonpublic--Programs to reduce truancy, suspensions, and expulsions
- IV-40 Nonpublic--Age approp/developmentally-based violence prevention prog/curriculum that a) address consequences of violence, b) promote individual responsibility, c) teach students that most people are not violent, d) teach social and peer pressure skills to resist violence, e) teach about the dangers of violence, f) engage students in the learning process, g) reinforce in secondary schools the prevention activities implemented in elementary schools (specify curriculum)
- IV-41 Nonpublic--Test or inspect for drug use (consistent with Fourth Amendment of the U.S. Constitution)
- IV-42 Nonpublic--Emergency intervention services following a traumatic crisis event
- IV-43 Nonpublic--Establish or improve system for transfer of suspension/expulsion records

- IV-44 Nonpublic--Develop and improve Character Education programs
- IV-45 Nonpublic--Establish and maintain school safety hotline
- IV-46 Nonpublic--Community service, including community service by expelled students, and service-learning projects
- IV-47 Nonpublic--Background checks of education personnel
- IV-48 Nonpublic--Provide training for youth suicide prevention programs and plans
- IV-49 Nonpublic--Improve programs that respond to needs of youth faced with domestic violence or child abuse
- IV-50 *Nonpublic--Comprehensive school security plans
- IV-51 *Nonpublic--Reporting criminal offenses committed on school property
- IV-52 *Nonpublic--Supporting safe zones including bicycle and pedestrian safety programs
- IV-53 Indirect costs (object code 900 include public and nonpublic)
- IV-54 Age approp/developmentally-based violence prevention prog/curriculum that a) address consequences of violence, b) promote individual responsibility, c) teach students that most people are not violent, d) teach social and peer pressure skills to resist violence, e) teach about the dangers of violence, f) engage students in the learning process, g) reinforce in secondary schools the prevention activities implemented in elementary schools (specify curriculum)

- IV-55 Develop, participate in and sustain Before/After School Programs to deter youth risk behaviors and provide meaningful social and academic alternatives
- IV-56 Establish and maintain school safety hotline
- IV-56 Establish or improve system for transfer of suspension/expulsion records
- IV-56 **Develop, participate in and sustain local Students Against Destructive Decisions (SADD) chapters
- IV-57 Nonpublic--Develop, participate in and sustain Before/After School Programs to deter youth risk behaviors and provide meaningful social and academic alternatives
- IV-58 **Nonpublic--Develop, participate in and sustain local Students Against Destructive Decisions (SADD) chapters

Transfer/REAP Title V

Activity Code	Description
V-1	TQ, PD, CSR. Hire highly qualified teachers to reduce class sizes, especially in the early grades
V-2	TQ, PD, CSR. Programs to recruit highly qualified teachers
V-3	TQ, PD, CSR. High quality prof develop for teachers
V-4	TQ, PD, CSR. High quality prof develop for principals/administrators
V-5	Parental Options. Activities to promote, implement, or expand public school choice
V-6	Parental Options. Programs to provide same-gender schools/classrooms
V-7	Parental Options. School safety programs, including implementation of unsafe school choice policy
V-8	Tech & Edu Mat. Technology activities related to school-based reform programs
V-9	Tech & Edu Mat. Prof develop regarding the effective use of technology in classrooms and school library media centers
V-10	Tech & Edu Mat. Acquire/use library services and materials, (including media materials)
V-11	Tech & Edu Mat. Acquire/use instructional and educational materials, assessments, reference materials
V-12	Tech & Edu Mat. Purchase computer hardware or software for instructional use
V-13	Students w/Spec Needs. Programs for educationally disadvantaged students, including dropout prevention
V-14	Students w/Spec Needs. Programs to provide for the educational needs of gifted/talented students
V-15	Students w/Spec Needs. Alternative educational programs for expelled or suspended students
V-16	Students w/Spec Needs. Academic intervention prog operated jointly w/ community-based organ for students most at risk of not meeting academic standards
V-17	Students w/Spec Needs. Counseling prog conducted during school day, including extended school day/school year programs
V-18	Lit., Early Child. Edu, Adult Edu. Programs to improve literacy skills of adults, including adult edu & family literacy programs
V-19	Lit. Early Child. Edu, Adult Edu. Programs for consumer, economic, and personal finance education
V-20	Lit., Early Child. Edu, Adult Edu. Activities to establish or enhance prekindergarten programs for children
V-21	Comm. Serv/Comm Involve. Community service programs to train and mobilize young people to strengthen their communities
V-22	Comm. Serv/Comm Involve. Initiatives to generate, maintain, strengthen parental/community involvement
V-23	Comm. Serv/Comm Involve. Service learning activities
V-24	Health Serv. Programs to hire/support school nurses
V-25	Health Serv. School-based mental health serv, including early identification of drug use & violence, assess, counseling services
V-26	Health Serv. Cardiopulmonary resuscitation (CPR) training in schools
V-27	Edu Reform/Sch Improve. Promising education reform projects, including magnet schools
V-28	Edu Reform/Sch Improve. School improvement programs or activities under Title I
V-29	Edu Reform/Sch Improve. Programs to establish smaller learning communities
V-30	Edu Reform/Sch Improve. Activities to encourage/expand improvements throughout area designed to advance student academic achievement

- V-31 Edu Reform/Sch Improve. Programs to expand learning oppor through best-practice models to improve classroom learning/teaching
- V-32 Edu Reform/Sch Improve. Research-based cognitive/perceptual develop approaches relying diagnostic-prescriptive model to improve student learning
- V-33 Edu Reform/Sch Improve. Supplemental educational services, as defined in Title I
- V-34 Nonpublic--TQ, PD, CSR. High quality prof develop for teachers
- V-35 Nonpublic--TQ, PD, CSR. High quality prof develop for principals/administrators
- V-36 Nonpublic--Parental Options. Activities to promote, implement, or expand public school choice

- V-37 Nonpublic--Parental Options. Programs to provide same-gender schools/classrooms
- V-38 Nonpublic--Parental Options. School safety programs, including implementation of unsafe school choice policy
- V-39 Nonpublic--Tech & Edu Mat. Prof develop regarding the effective use of technology in classrooms and school library media centers
- V-40 Nonpublic--Tech & Edu Mat. Acquire/use library services and materials, (including media materials)
- V-41 Nonpublic--Tech & Edu Mat. Acquire/use instructional and educational materials, assessments, reference materials
- V-42 Nonpublic--Tech & Edu Mat. Purchase computer hardware or software for instructional use

- V-43 Nonpublic--Students w/Spec Needs. Programs for educationally disadvantaged students, including dropout prevention, excluding salaries
- V-44 Nonpublic--Students w/Spec Needs. Programs to provide for the educational needs of gifted/talented students, excluding salaries
- V-45 Nonpublic--Students w/Spec Needs. Alternative educational programs for expelled or suspended students , excluding salaries
- V-46 Nonpublic--Students w/Spec Needs. Academic intervention prog operated jointly w/ community-based organ for students most at risk of not meeting academic standards, excluding salaries
- V-47 Nonpublic--Lit., Early Child. Edu, Adult Edu. Programs to improve literacy skills of adults, including adult edu & family literacy programs, excluding salaries
- V-48 Nonpublic--Lit. Early Child. Edu, Adult Edu. Programs for consumer, economic, and personal finance education , excluding salaries
- V-49 Nonpublic--Lit., Early Child. Edu, Adult Edu. Activities to establish or enhance prekindergarten programs for children, excluding salaries
- V-50 Nonpublic--Comm. Serv/Comm Involve. Community service programs to train and mobilize young people to strengthen their communities
- V-51 Nonpublic--Comm. Serv/Comm Involve. Initiatives to generate, maintain, strengthen parental/community involvement
- V-52 Nonpublic--Comm. Serv/Comm Involve. Service learning activities
- V-53 Nonpublic--Health Serv. School-based mental health serv, including early identification of drug use & violence, assess, counseling services
- V-54 Nonpublic--Health Serv. Cardiopulmonary resuscitation (CPR) training in schools
- V-55 Nonpublic--Edu Reform/Sch Improve. Promising education reform projects, including magnet schools
- V-56 Nonpublic--Edu Reform/Sch Improve. School improvement programs or activities under Title I

- V-57 Nonpublic--Edu Reform/Sch Improve. Programs to establish smaller learning communities

- V-58 Nonpublic--Edu Reform/Sch Improve. Activities to encourage/expand improvements throughout area designed to advance student academic achievement

- V-59 Nonpublic--Edu Reform/Sch Improve. Programs to expand learning opport through best-practice models to improve classroom learning/teaching
- V-60 Nonpublic--Edu Reform/Sch Improve. Research-based cognitive/perceptual develop approaches relying diagnostic-prescriptive model to improve student learning
- V-61 Nonpublic--Edu Reform/Sch Improve. Supplemental educational services, as defined in Title I
- V-62 Indirect Costs (object code 900 include public and nonpublic)
