

**Documentation of Six Types of Parental Involvement**

*Record below all parental involvement activities that have taken place over the current school year as well as any that are scheduled to occur. Include information on how required parental involvement activities were handled (annual meeting, policy and compact distribution, etc.) and any other parental involvement activities that have taken place. Make as many copies as you need to document all parental activities. Include agendas, meeting minutes, sign-in sheets, any disseminated information, etc., to provide evidence of the parental involvement activity.*
