School District:	School:
------------------	---------

After participating in the School Improvement Grant (SIG) Webinar training held on Tuesday, October 4, 2016, we are requesting all Tier I SIG schools complete this Letter of Intent and fax or email it to the Office of Federal Title Programs by Tuesday, **October 18, 2016**.

- Our school district is not going to pursue serving our Tier I school with Title I SIG funds.
- Our school district will be applying for SIG funds as a Tier I school.

As soon as a decision is made to proceed with a Tier I SIG application, the school needs to participate in another SIG Webinar training that will be held for further details on the SIG application, rubrics, and funding process. In addition, the district needs to begin the process of finding a high quality SIG consultant.

The SIG application is due to the Office of Federal Title Programs by Friday, **December 2, 2016**.
