Description	Type of Error	Validations for "Save" Button	Validations for "Validate" Button
Title Program Allocations			
No data has been reported for this section.	Error		X
Targeted Report has not been submitted.	Error		X
"Contact Name", "Contact Phone", and "Contact Email" must be reported.	Error		X
At least one of these data elements must be selected if there is a value for "Title IA Allocation".	Error		X
"Contact Name", "Contact Phone", "Contact Email", "Signature Authority", and "Signature Authority Email" must be reported if there is a value for "Title IA Allocation".	Error		X
"Contact Name", "Contact Phone", and "Signature Authority" must be reported if there is a value for "Title IIA Allocation".	Error		X
"Contact Name", "Contact Phone", and "Signature Authority" must be reported if there is a value for "Title IID Allocation".	Error		X
"Contact Name", "Contact Phone", and "Signature Authority" must be reported if there is a value for "Title IIIA Allocation".	Error		X
"Contact Name", "Contact Phone", and "Signature Authority" must be reported if there is a value for "Title IVA Allocation".	Error		X
"Contact Name", "Contact Phone", and "Signature Authority" must be reported if there is a value for "Title VA Allocation".	Error		X
Tech Lit Teacher Description cannot be blank when "Other" is checked.	Error		X
"Liaison Name", "Liaison Title", and "Liaison Phone" must be reported.	Error		X
"Equity Provision" must be reported.	Error		X
"Certification Date" must be reported.	Error		X
"Parents Right To Know Explanation" must be reported if "Parents Right To Know Compliance" is reported as "No/False".	Error		X
"Title I Policies Explanation" must be reported if "Title I Policies" is reported as "No/False".	Error		X
"ELL/LEP Explanation" must be reported if "ELL/LEP Identification Compliance" is reported as "No/False".	Error		X
"Title II A Funding Priorities Explanation" must be reported if "Title II A Funding Priorities Compliance" is reported as "No/False".	Error		X
There must be something checked for Technology Literate Student.	Error		X
There must be something checked for Technology Literate Teacher.	Error		X
Title I Part A Allowable Carryover must be a currency value.	Import Error	X	
Title II Part A Allowable Carryover must be a currency value.	Import Error	X	
Title II Part D Allowable Carryover must be a currency value.	Import Error	X	
Title III Part A Allowable Carryover must be a currency value.	Import Error	X	
Title III Allowable Carryover must be a currency value.	Import Error	X	
Title IV Part A Allowable Carryover must be a currency value.	Import Error	X	

Title V Part A Allowable Carryover must be a currency value.	Import Error	X	
Certification Date must be a date in the format MM/DD/YYYY and can not be a future date.	Import Error	X	
Highly Qualified Teacher and Professional Development (HQTPD)			
"Current Year HQPD Core Subject Teachers Percentage (projected)" should be reported for each School Plant.	Error		X
Percentage of K-6 core classes taught by highly qualified teachers greater than 100%.	Error		X
Percentage of 7-12 core classes taught by highly qualified teachers greater than 100%.	Error		X
Percentage of core subjects taught by teachers receiving HQPD greater than 100%.	Error		X
Current Year K-6 HQT Class Percentage (projected) should be reported for each School Plant.	Warning		X
Current Year 7-12 HQT Class Percentage (projected) should be reported for each School Plant.	Warning		X
"Prior Year HQPD Core Subject Teachers", and "Current Year HQPD Core Subject Teachers Percentage (projected)" should be reported for each School Plant.	Warning		X
"Prior Year HQPD Core Subject Teachers" should be reported.	Warning		X
Grades K-6 # of Core Academic Classes must be an integer.	Import Error	X	
Grades K-6 # of Core Academic Classes Taught by Highly Qualified Teachers must be an integer.	Import Error	X	
Grades K-6 Projected % of Core Classes Taught by Highly Qualified Teachers must be a valid percentage (0 - 100%).	Import Error	X	
Grades 7-12 # of Core Academic Classes must be an integer.	Import Error	X	
Grades 7-12 # of Core Academic Classes Taught by Highly Qualified Teachers must be an integer.	Import Error	X	
Grades 7-12 Projected % of Core Classes Taught by Highly Qualified Teachers must be a valid percentage (0 - 100%).	Import Error	X	
# of Core Subject Teachers in the District must be an integer.	Import Error	X	
# of Core Subject Teachers Participating in HQPD must be an integer.	Import Error	X	
Projected % of Core Subject Teachers Participating in HQPD must be a valid percentage (0 - 100%).	Import Error	X	
Transfer / REAP			
You cannot select both the "Transferability" option and the "REAP" option	Error		X
"Transferred from Title IIA", "Transferred From Title IID", "Transferred From Title IVA", and "Transferred From Title VA" must all be 0 if the "Transferability" option is not selected.	Error		X
"Transferred From Title IIA" cannot be greater than "Transfer Available Title IIA".	Error		X
"Transferred From Title IID" cannot be greater than "Transfer Available Title IID".	Error		X
"Transferred From Title IVA" cannot be greater than "Transfer Available Title IVA".	Error		X
"Transferred From Title VA" cannot be greater than "Transfer Available Title VA".	Error		X

"Total Transferability" must be greater than 0 of the "Transferability" option was selected.	Error		X
"REAP from Title IIA", "REAP From Title IID", "REAP From Title IVA", and "REAP From Title VA" must all be 0 if the "REAP" option is not selected.	Error		X
"REAP From Title IIA" cannot be greater than "REAP Available Title IIA".	Error		X
"REAP From Title IID" cannot be greater than "REAP Available Title IID".	Error		X
"REAP From Title IVA" cannot be greater than "REAP Available Title IVA".	Error		X
"REAP From Title VA" cannot be greater than "REAP Available Title VA".	Error		X
"Total REAP" must be greater than 0 of the "REAP" option was selected.	Error		X
The "Total Amount Transferred" must equal the "Total Transferability Amount".	Error		X
The "Total Amount In REAP" must equal the "Total REAP Amount".	Error		X
Activities			
No Integrated Activities have been reported.	Error		X
"Description" must be reported for this Integrated Activity.	Error		X
No Object Codes have been reported for this Integrated Activity.	Error		X
There can be no Integrated Activities reported for "Title IIA" because it has been reported as being combined under REAP.	Error		X
There can be no Integrated Activities reported for "Title IID" because it has been reported as being combined under REAP.	Error		X
There can be no Integrated Activities reported for "Title IVA" because it has been reported as being combined under REAP.	Error		X
There can be no Integrated Activities reported for "Title VA" because it has been reported as being combined under REAP.	Error		X
The total of all object codes reported for Title IA cannot be greater than "Title IA Allocation" + "Title IA CarryOver".	Error		X
The total of all object codes reported for Title IIA cannot be greater than "Title IIA Allocation" + "Title IIA CarryOver".	Error		X
The total of all object codes reported for Title IID cannot be greater than "Title IID Allocation" + "Title IID CarryOver".	Error		X
The total of all object codes reported for Title IIIA cannot be greater than "Title IIIA Allocation" + "Title IIIA CarryOver".	Error		X
The total of all object codes reported for Title IVA cannot be greater than "Title IVA Allocation" + "Title IVA CarryOver".	Error		X
The total of all object codes reported for Title VA cannot be greater than "Title VA Allocation" + "Title VA CarryOver".	Error		X
The total of all object codes reported for Title IA under object code "900 - Indirect Costs" cannot be greater than the maximum allowable Indirect Cost for Title IA.	Error		X
The total of all object codes reported for Title IIA under object code "900 - Indirect Costs" cannot be greater than the maximum allowable Indirect Cost for Title IIA.	Error		X

The total of all object codes reported for Title IID under object code "900 - Indirect Costs" cannot be greater than the maximum allowable Indirect Cost for Title IID.	Error		X
The total of all object codes reported for Title IIIA under object code "900 - Indirect Costs" cannot be greater than the maximum allowable Indirect Cost for Title IIIA.	Error		X
The total of all object codes reported for Title IVA under object code "900 - Indirect Costs" cannot be greater than the maximum allowable Indirect Cost for Title IVA.	Error		X
The total of all object codes reported for Title VA under object code "900 - Indirect Costs" cannot be greater than the maximum allowable Indirect Cost for Title VA.	Error		X
The total of all object codes reported for REAP under object code "900 - Indirect Costs" cannot be greater than the maximum allowable Indirect Cost for REAP.	Error		X
The total of all object codes reported for Transfer under object code "900 - Indirect Costs" cannot be greater than the maximum allowable Indirect Cost for Transfer.	Error		X
The total of all object codes reported for Title IID under object code "730 - Equipment" cannot be greater than the maximum allowable Equipment for Title IID.	Error		X
The only valid object codes for this Integrated Activity are "110 - Professional Salary", "120 - Non-professional Salary", and "200 - Benefits".	Error		X
The only valid object code for this Integrated Activity is "Unobligated Setasides".	Error		X
The only valid object code for this Integrated Activity is "900 - Indirect Costs".	Error		X
Object Code "730 - Equipment > \$750" cannot be used for this Integrated Activity.	Error		X
The only valid object codes for this Integrated Activity are "110 - Professional Salary" and "200 - Benefits".	Error		X
Object code amount must be a currency value.	Import Error	X	
Title I Nonpublic			
"Participating Students" and "Program Description" must be reported for each Nonpublic School.	Error		X
Only one of the following elements may be selected: "Served At Nonpublic", "Transported to Public School", "Transported To Other Site".	Error		X
"Name" and "Email" must be reported for each nonpublic staff member.	Error		X

A ND Professional license number must be reported for a staff member in this position.	Error		X
The selected Position requires that an explanation be entered for this staff member.	Error		X
The license number entered for the professional staff member has not been found.	Error		X
The name associated with the MIS03 license number is different than the staff name.	Error		X
"Name" and "Email" must be reported for each summer school staff member.	Error		X
"Principal Name(s)" and "Testimony Read" must be reported for each nonpublic school.	Error		X

Title I Targeted Assistance			
One or more Title I Buildings must be reported because "Title IA Targetd Assistance" was selected on the "Title Program Allocations" section.	Error		X
"Student Case Load" must be reported for each Title I Building.	Error		X
The "Scientifically Based Research Program Areas" reported required that "SBR Program Areas Other" must be reported for this Title I Building.	Error		X
Name and "Email" must be reported for each Professional staff member.	Error		X
"Other Description" must be reported if "Other Services" is reported as True.	Error		X
A ND Professional license number must be reported for a staff member in this position.	Error		X
The selected Position requires that an explanation be entered for this staff member.	Error		X
The license number entered for the professional staff member has not been found.	Error		X
The name associated with the MIS03 license number is different than the staff name.	Error		X
Name must be reported for each Nonprofessional staff member.	Error		X
Other Description must be reported if "Other Services" is reported as True.	Error		X
The selected Position requires that an explanation be entered for this staff member.	Error		X
A license number or paraprofessional certificate number must be reported for a staff member in this position.	Error		X
The license number entered for this non-professional staff member has not been found.	Error		X
The name associated with the MIS03 license number is different than the staff name.	Warning		X
"Principal Name(s)" and "Testimony Read" must be reported for each Title I building.	Error		X
"July / August Start Date", "July August End Date", and "July August Weeks" must be reported if "July / August Program" was reported as True.	Error		X
"July / August Start Date", "July August End Date", and "July August Weeks" cannot be reported if "July / August Program" was reported as False.	Error		X
"June Start Date", "June End Date", and "June Weeks" must be reported if "June Program" is reported as True.	Error		X
"May / June Start Date", "May June End Date", and "May June Weeks" cannot be reported if "May / June Program" was reported as False.	Error		X
"Students" and "Program Description" must be reported if "July / August Program" or "June Program" is reported as True.	Error		X
"Name" must be reported for each summer school staff member.	Error		X
Title I Schoolwide			
One or more Schoolwide Buildings must be reported because "Title IA Schoolwide" was reported on the "Title Program Allocations" section.	Error		X

If "Title Programs" are selected to be combined, two or more must be selected.	Error		X
At least 1 grade level must be selected.	Error		X
"Name" must be reported for each professional staff member.	Error		X
The selected position requires that their responsibilities be reported for this staff member.	Error		X
A ND professional license number must be reported for a staff member in this position.	Error		X
The license number entered for this professional staff member has not been found.	Error		X
The name associated with the MIS03 license number is different than the staff name.	Error		X
When position 1 is selected, an FTE for position 1 is required.	Error		X
When position 2 is selected, an FTE for position 2 is required.	Error		X
When position 3 is selected, an FTE for position 3 is required.	Error		X
"Name" must be reported for each nonprofessional staff member.	Error		X
A license number or paraprofessioncal certificate number must be reported for a staff member in this position.	Error		X
The license number entered for this non-professional staff member has not been found.	Error		X
The name associated with the MIS03 license number is different than the staff name.	Warning		X
"Principal Name(s)" and "Testimony Read" must be reported for each Schoolwide building.	Error		X
"July / August Start Date", "July August End Date", and "July August Weeks" must be reported if "July / August Program" was reported as True.	Error		X
"July / August Start Date", "July August End Date", and "July August Weeks" cannot be reported if "July / August Program" was reported as False.	Error		X
"June Start Date", "June End Date", and "June Weeks" must be reported if "June Program" is reported as True.	Error		X
"May / June Start Date", "May June End Date", and "May June Weeks" cannot be reported if "May / June Program" was reported as False.	Error		X
"Students" and "Program Description" must be reported if "July / August Program" or "June Program" is reported as True.	Error		X
"Name" must be reported for each summer school staff member.	Error		X
ELL/LEP / Homeless / N And D			
"Name" and "Email" must be reported for each homeless staff member.	Error		X
"Name" must be reported for each ELL/LEP staff member.	Error		X
"Other Description" must be reported if "Other Services" is reported as True.	Error		X
"Name" must be reported for each Neglected and Delinquent staff member.	Error		X
"Other Description" must be reported if "Other Services" is reported as True.	Error		X
Staff Name must be entered.	Import Error	X	

FTE in Title I must be between 0 and 1.	Import Error	X	
Hours Reading must be between 0 and 6.	Import Error	X	
Hours Math must be between 0 and 6.	Import Error	X	
Safe Schools			
The selected "Plan Data Sources" required that "Other Plan Data Sources" must be reported.	Error		X
The selected "Protective Factors and Positive Assets" required that "Other Protective Factors and Positive Assets" must be reported.	Error		X
The selected "Implemented Programs" require that "Other Implemented Programs" must be reported.	Error		X
The selected "Plan Evaluation Methods" require that "Other Plan Evaluation Methods" must be reported.	Error		X
The Selected "Results Reporting Methods" require that "Other Results Reporting Methods" must be reported.	Error		X
There must be an entry in Other Plan Data Sources if the "Other" checkbox is marked.	Error		X
There must be an entry in Planning Team Meeting Frequency.	Error		X
There must be an entry in Other Protective Factors if the "Other" checkbox is marked.	Error		X
There must be an entry in Other Risk Areas if the "Other" checkbox is marked.	Error		X
"Contact Name", "Contact Position", "Contact Phone", and "Contact Email" should be reported.	Warning		X
