AUTHORIZATION TO PROVIDE PERSONAL CARE SERVICES

NORTH DAKOTA DEPARTMENT OF HUMAN SERVICES
AGING SERVICES/HOME AND COMMUNITY BASED SERVICES (HCBS)
SFN 663 (4-2019)

Clear Fields

By accepting this authorization to Provide Personal Care Services, the Provider agrees to provide the services in accordance with standards and conditions agreed to in signing the Medical Assistance Program Provider Agreement as a designated Qualified Service Provider or Basic Care Assistance Provider. If an authorization is for multiple providers, the monthly total authorized units for a client may not be exceeded by the combined providers. This authorization is time limited and is not a guarantee of payment for services. Client eligibility for Medicaid can be verified by calling VERIFY at 1-800-428-4140 or 701-328-2891. Client may be responsible for recipient liability that is payable to the Provider. Provider is responsible for maintaining documentation by task supporting services provided.

AUTHORIZED SERVICE ACTIVITIES

BATHING assisting a client with tub/shower/bed bath, dressing after the bath, and bathroom cleanup.
COMMUNICATION limited to assisting the client in using the telephone, and client directed reading of mail and sending mail related to obtaining and managing essential services.
COMMUNITY INTEGRATION support and training provided to promote community involvement and access to services (limited to adult residential services and transitional care services.)
DRESS/UNDRESS assisting a client in getting dressed and undressed.
EYE CARE limited to routine regimen of eye drops, ointment, eye pad. **Does not include prescription eye drops or prescription ointment (unless the client can self-direct his/her own care and understands the medication, route, purpose, dose, and side effects of their medications).**
FEEDING assisting a client to eat who is unable to eat without assistance. **Does not include tube feedings.**
HAIR CARE assisting a client with washing/combing hair and shaving.
HOUSEWORK routine light cleaning that includes dusting, vacuuming, floor care, garbage removal, changing linens, dishwashing, and other similar tasks in rooms occupied or used by the client. **Must be done when the client is at home.**
INCONTINENCE assisting the client with routine care associated with incontinence.
LAUNDRY includes washing, drying, folding, putting away, ironing, mending and other similar tasks. **Must be done in the client's home or a laundromat. Client must be home when the service is provided.**
MEAL PREPARATION includes planning, preparing and serving the meal(s). **Does not include canning of produce or baking of such items as cookies, cakes, bread. Meals must be prepared in the clients home.**
MEDICATION ASSISTANCE limited to assisting the client who can self-direct his/her own care and understands the medication, route, purpose, dose, and side effects of their medications with self-administration of routine medications (oral, topical, and/or eye drops) by doing the following: opening container, assisting the client with proper position for taking medication or placing medication in mouth; assist with giving client drinking fluid to swallow medication; recap the container or assisting with applying lotion, administration eye drops or by reminding client to take medications with the exception of narcotics.
MOBILITY assisting the client to walk, use wheelchair, walker, crutches or cane for essential services, not walks or socialization.
MONEY MANAGEMENT limited to assistance with monthly budgeting or bill paying.
NAIL CARE limited to routine fingernail care to persons who do **NOT** have diabetes, heart disease (excluding controlled hypertension or hypercholesterolemia), fungus, or circulatory disease problems. **Cutting of toenails is not allowed.**
SHOPPING limited to purchasing items for clients.
SKIN CARE limited to prophylactic (preventative) and palliative (relief or relieving) skin care, including application of creams or lotions for minor skin problems. **Does not include prescription ointment, prescription lotion or other prescription topicals, (unless the client can self-direct their own care and understands the medication, route, purpose, dose, and side effects of their medications). Does not include wound care or care of skin lesions.**
SOCIAL APPROPRIATENESS support and training provided to promote and develop relationships and participate in the social life of the community (adult residential services and transitional care services.)
TEETH, MOUTH, DENTURE CARE assisting a client with oral hygiene, brushing teeth, and cleaning dentures.
TOILETING assisting the client with all aspects of routine regime for toileting.
TRANSFERRING/TURNING/POSITIONING assisting the client with routine sitting up or positioning on back while in bed, transferring needs, using transfer belt, standard sit, bed to wheelchair, etc.
TRANSPORTATION limited to adult foster care (AFC), adult residential services (ARS) and clients receiving non-medical transportation service (NMT).

GLOBAL ENDORSEMENTS (Only **a provider who carries a** global **endorsement may provide these activities** and **tasks.)** **COGNITIVE SUPERVISION** assisting a client who needs supervision continuously, except for brief periods of time, for health/safety, cognitive and/or behavioral reasons. (not applicable to Medicaid State Plan personal care services.)
EXERCISES limited to assisting with routine exercises, which have been recommended in writing by a therapist for a client, to maintain or improve physical functioning that was lost or decreased due to an injury or a chronic disabling condition (i.e., multiple sclerosis, Parkinson's, stroke, etc.). Exercise does not include physical activity that generally should be an aspect of a wellness program for any individual (i.e., walking for weight control, general wellness, etc.)
HOYER LIFT/MECHANIZED BATH CHAIRS assistance with routine use of mechanized bath chair or hoyer lift used by client.
INDWELLING BLADDER CATHETER limited to general maintenance care after a well-established routine of care has been established for the client. **No catheterization of client allowed.**
