

**SUBSTANCE USE DISORDER (SUD) VOUCHER ADOLESCENT APPLICATION**  
DEPARTMENT OF HEALTH AND HUMAN SERVICES  
BEHAVIORAL HEALTH DIVISION (BHD)  
SFN 911 (6-2025)

This application is for an individual who is 12 to 17 years old.

Thank you for your interest in the applying for the North Dakota Substance Use Disorder (SUD) Voucher program. Our goal is to increase access to quality services for individuals to reach their full potential.

If you get approved for the SUD Voucher program and **don't already have Medicaid**, but it seems like you might qualify, someone who helps with Medicaid will call you to help you apply. If you **already have Medicaid but lose coverage**, you'll need to work with them to reinstate it. To keep getting help from the SUD Voucher program, you must complete the Medicaid application or reinstatement process. If you don't, you won't be able to get help from the SUD Voucher program anymore.

☐ **I agree that if I don't currently have Medicaid but seem eligible, I will apply for it. If I have Medicaid but lose coverage, I will work to reinstate it.**

The following information may be needed to complete this application:

- Medicaid ID (if you have Medicaid)
- Proof of your monthly income (pay stubs, tax return, etc.)
- Details about your income (wages, child support, retirement benefits, etc.)
- Social Security number (optional, but it helps process your application faster)

\* The Privacy Act of 1974 (P.L. 93-579, Section 7) requires the following information be provided when individuals are requested to disclose their social security number. Disclosure of your social security number (SSN) is voluntary and it is requested for identification purposes. Failure to disclose SSNs will not affect participation in the program but could possibly delay processing your request.
