

PARTICIPANT RISK AGREEMENT
 NORTH DAKOTA DEPARTMENT OF HUMAN SERVICES
 AGIN SERVICES DIVISION-MFP
 SFN 1955 (11-2021)

Risk assessment is an important part of the assessment and service planning process. This agreement serves as documentation of a conversation through which the individual or his/her legal representative have been presented with the potential risks identified through the assessment process, the source of those risks, the alternatives available to address the risks identified and an acknowledgement by the individual or his/her legal representative that the identified risks exist and the individual has agreed to assume these risks in order to return to the community.

Name of Participant/Legal Representative
Name of Individuals involved in the risk identification and reduction discussion

Identifying and Mitigating Risks

Participant's Risk and Choice Regarding Action/Inaction ¹	Negative Outcomes That May Result ²	Alternative Measures That May Be Implemented by Participant, Agency, Informal Support etc. ³
