Instructions

The North Dakota Department of Labor and Human Rights (“Department”) enforces wage and hour laws and resolves wage disputes between employees and employers, with the authority to collect non-payment or improper payment of wages (for example, non-payment of wages earned, unauthorized paycheck deductions, failure to pay overtime, minimum wage, or paid time off). Filing with the Department should be your last resort - your claim may not be accepted unless you have made a demand for your wages. Some situations prevent us from pursuing wage claims until or unless certain events have occurred. Your claim will not be accepted if you do not provide the information requested below. Once your claim is accepted, your cooperation is required. Your failure to cooperate with the investigation may result in the dismissal of your claim. The provision of false information in this claim is a crime under N.D.C.C. 34-14-07. You must use a blue or black pen.
