INFORMATION FOR THE APPLICANT

Schedules or inserts may be attached to this application whenever additional space is needed. Such attached schedules or inserts are a part of this application and should be on 8 1/2 X 11 paper. Applications are to be securely bound.

A preliminary application should be first submitted for Department review. Upon determination the application is complete, the Department will request an original application and may request additional copies if the application is to be acted on by the commissioner or State Banking Board. A complete copy should be retained by the bank.

Any facsimile filed application has the same force and effect as the original. Within five (5) days after the Department or State Banking Board received the facsimile transmission, the original signed document and filing fee must be received by the Board.

Requests for clarification as to what information is necessary to complete this application should be directed to the Department of Financial Institutions.

You may provide any information in addition to that requested in this application which, in your opinion, might aid in the disposition of your proposal.

Complete responses to all questions in this application will expedite processing.

An application fee of one thousand five hundred (\$1,500) must accompany the application.

If a bank wishes to establish more than one facility, a separate application and fee for each facility is necessary.

In preparing your application, keep in mind that the Commissioner and State Banking Board deem that public policy warrants making all information submitted to it in connection with your application available for public review unless it is confidential in nature.

It is the responsibility of the applicant to identify the information submitted with the proposal which it deems CONFIDENTIAL clearly and on separate pages. Under the confidentiality statute, records considered confidential must meet the following criteria: (1) trade secrets and commercial or financial information; (2) personal and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of privacy; and (3) examination report information. However, the determination of the question of confidentiality and the discretion to release information submitted to it which is exempt resides with the State Banking Board. Specific information you indicate to be confidential may be made available for public review after consideration.
