

# LARGE GROUP HEALTH INSURANCE DATA REPORT

NORTH DAKOTA INSURANCE DEPARTMENT

SFN 54180 (10-2004)

This report requests data for the fully-insured large group hospital/surgical/medical expense and major medical market to determine the impact of the 1995 reforms on this market. In addition, HIPAA requires triennial reports on access in the large group market. Please complete the information below based on North Dakota statistics for the **last calendar year**. For the purposes of this survey, large group is defined as 51+ employees.
