It is understood and agreed that:

* The responding ND Hazardous Materials/Structural Collapse Regional Response Team will assist local authorities by taking emergency actions necessary to protect life, property, and the environment from the effects of a major/catastrophic release of hazardous materials or a major/catastrophic structural collapse incident.
* The costs incurred by the responding ND Hazardous Materials/Structural Collapse Regional Response Team are the responsibility of the requesting jurisdiction should the Department of Emergency Services be unable to recover those costs from the responsible party.
* The requesting jurisdiction will establish and maintain local Incident Command throughout the incident.
* The responding ND Hazardous Materials/Structural Collapse Regional Response Team may cancel or terminate assistance to the requesting jurisdiction for the following reasons, which are not limited to; need in team's own jurisdiction, safety concerns, etc.
* The responding ND Hazardous Materials/Structural Collapse Regional Response Team will not transport, store, dispose of, or perform remedial clean-up of hazardous materials, except as may be incidentally necessary to mitigate an emergency.
* The responding ND Hazardous Materials Regional/Structural Collapse Response Team will not assume overall command of the hazardous materials or structural collapse emergency.

I certify that all information contained in this application is true and complete to the best of my knowledge.
