Authorized Representative of Museum Board (SIGN)		

The North Dakota Aeronautics Commission will provide admission cost, as well as educational expenses for students participating in aerospace education activities at North Dakota's Air Museums. The museum must admit students to educational events free of charge. The air museum is limited to \$20,000 per fiscal year from the AEFAM program.

Entity Providing Education <input type="checkbox"/> Fargo Air Museum <input type="checkbox"/> Dakota Territory Air Museum <input type="checkbox"/> Other, specify: _____
Total Number of Students (attach Activity Report for each activity)
Amount of Expenses (attach documentation)

In addition to this summary report, please attach an activity report for each educational event being submitted for funding.

The following items must be on this activity report:

- Date activity occurred
- Contact or lead for this event
- List of educational topics covered (See Policy GEN-10 for topic suggestions)
- Number of students present
- Age range of students
- Objective of event
- Brief description of educational event
- Primary contact, sign-in or registration sheets, if available
