Please note the Minor Equivalency (ME) 16 is not available in this content area. The ME 24 level requires a minimum of 24 SH of content-specific coursework beyond the introductory level including special methods of teaching in the content area and is considered equivalent to a full teaching minor. All coursework must be verified through official transcripts from a state-approved college of teacher education.

The ME 24 will meet the minimum licensing requirement for North Dakota, but may not meet the minimum requirements for a state-funded Agricultural Education Program through the Department of Career and Technical Education (CTE). For more information call the State CTE Department at 701-328-3180.

Agricultural Education
