Two levels of content area endorsements are available to be added to existing North Dakota educational licensure. The Minor Equivalency (ME) 16 level requires a minimum of 16 semester hours (SH) of content-specific coursework beyond the introductory level. The ME 24 level requires a minimum of 24 SH of content-specific coursework beyond the introductory level including special methods of teaching in the content area and is considered equivalent to a full teaching minor. All coursework must be verified through official transcripts from a state-approved college of teacher education. **The ME 16 level is issued for a maximum period of five years and is not renewable. Individuals who wish to continue to be endorsed in the area after the five-year limit must obtain the remaining requirements to complete the ME 24 level.** Please note the ME 16 is not available in some content areas.

Family and Consumer Sciences Education

ME 16 requirement: minimum of 16 SH	Content Completed	# SH	Content Needed	# SH
