FROM INSTITUTIONS' PROGRAM SUMMARY FORMS**
Education Standards and Practices Board

I. Instructions: Institutions are to submit the program summary form with each annual report (showing that year's data) and with the Institutional Report or Continuing Accreditation Report (showing the past 5 years of data). Indicate the number of graduates from the past five years for the program areas listed below. Also indicate all programs offered at the institution that are designed for the preparation of professionals working in school settings with children from birth to twelfth grade. The summary must include all programs advertised in the institution's catalog(s). Numbers reported should reflect all graduates who qualify to be recommended for educational licensure, whether the degree is conferred by the education unit or through arts and sciences. For programs from which no graduates were reported, enter "0". All blank spaces represent program areas not offered by the institution.
