Fingerprinting Instructions and Forms

(January 2020)

The fingerprinting process can be conducted at a sheriff's office, a police department, by campus police, or by an agency authorized to take fingerprints. **Two** cards must be completed with a ten-finger check and should not be folded, bent, or altered in any way. If your fingerprinting is processed and transmitted electronically by a law enforcement center in North Dakota, you will only receive one fingerprint card and a Fingerprint Acknowledgement Form from the fingerprint agent. You will be responsible to pay any fees charged by the fingerprinting agent.

Every space on the top section of the fingerprint cards must be completed, as indicated on the attached example card. The fingerprinting agency may request the **ORI**, which is **ND920110Z**, and **Reason Fingerprinted**, which is **Teacher Licensure in accordance with NDCC 15.1-13-14**.

Collect the following items and take them with you when you get fingerprinted:

- Envelope large enough to mail 2 8x8 inch fingerprint cards
- Money order for \$44.50 made out to ESPB
- Fingerprint forms from the ESPB Fingerprinting Instructions and Forms

After you have been fingerprinted, submit the following in a sealed envelope signed by the fingerprint technician to the North Dakota Education Standards and Practices Board at 2718 Gateway Ave, Suite 204, Bismarck ND 58503:

- **2 completed fingerprint cards -OR-, if your fingerprints were completed and transmitted electronically by a North Dakota law enforcement center, 1 fingerprint card and Fingerprint Acknowledgement Form**
- **ESPB Fingerprint Verification form**
 - **Applicant must complete Part 1**
 - **Fingerprint Technician must complete Part 2**
- **Criminal History Record Check Request Form**
 - **Complete the last section titled "To Be Completed by Subject of Record Check"**
 - **Sign and date the form**
- **Money order for \$44.50 made out to ESPB**

You will receive an email from espbnndteach@nd.gov once your background check has been completed.

**** Please keep the confirmation email for your records, since it will be the only confirmation you will receive regarding the results of your background check. ****

The BCI and FBI check may take six weeks or more for processing. Please allow sufficient time for the fingerprint check and completion of the licensure process before beginning any teaching position. North Dakota law requires a current valid North Dakota teaching license for employment.

Never go into a classroom to teach without a valid North Dakota license. There is a \$50 a day fine, which you are responsible to pay, if you are employed as an educator without a license.

Fingerprinting requirement in accordance with NDCC 15.1-13-14. ESPB does not advocate, permit nor practice discrimination on the basis of sex, race, color, national origin, religion, age, or disability as required by various state and federal laws.

Privacy Act Statement

As of 03/30/2018

This privacy act statement is located on the back of the FD-258 fingerprint card.

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. 28 CFR 50.12(b)

Officials at the governmental institutions and other entities authorized to submit fingerprints and receive FBI identification records under this authority must notify the individuals fingerprinted that the fingerprints will be used to check the criminal history records of the FBI. The officials making the determination of suitability for licensing or employment shall provide the applicants the opportunity to complete, or challenge the accuracy of, the information contained in the FBI identification record. These officials should not deny the license or employment based on information in the record until the applicant has been afforded a reasonable time to correct or complete the record, or has declined to do so. Those officials making such determinations must advise the applicants that procedures for obtaining a change, correcting, or updating of an FBI identification record are set forth in 28 CFR 16.34. A statement incorporating these use-and-challenge requirements will be placed on all records disseminated under this program. This policy is intended to ensure that all relevant criminal record information is made available to provide for the public safety and further, to protect the interests of the prospective employee/licensee who may be affected by the information or lack of information in an identification record.
