**Nelson, Malaun** – Before discussion began Evan Kritzberger disclosed that he works for Grand Forks Public Schools and they have worked in schools where Evan has also worked. The individual has been charged with offenses that, if convicted, would require revocation of their license under NDCC 15.1-13-26. At this time the board can offer a settlement agreement to suspend their license under NDCC 15.1-13-25(c)(j) and Administrative Rule 67.1-03-01-02(3)(4)(7) until the outcome of the case, as has been done with similar cases in the past. If this person pleads or is found guilty to any offenses based on the underlying facts of the case, their license would be revoked under NDCC 15.1-13-26. Attorney Mark Openshaw stated that at this time it does not appear that the individual has an attorney, but he will continue to look into that.

If they plead or are found guilty of any offenses based on the underlying facts of the case, their license would be come back to the board to be revoked under NDCC 15.1-13-26. If found not guilty, the case would come back to the board for further review. Seconded by Patti Stedman.
