

GUIDING QUESTIONS FOR PRE-OBSERVATION DISCUSSION

(Optional for use with the Conference Log. Fillable form is available online.)

Tell me about the lesson I will be observing.

What do you hope students will demonstrate by the end of the lesson?

How will you know you have accomplished the lesson's purpose?

Where are you in the unit of study, and what led up to this lesson?

How do you plan to accommodate diverse learners in this lesson?

In thinking about your teaching standards, what would you like me to focus on during the observation?

What is important for me to know about this class?

Is there a specific student behavior(s) I should watch for?

Is there a specific teacher behavior(s) I should watch for?

When can we conference about my observation?
