# Annual Report Reading Competencies Progress Report 2026

*Please respond to the following questions as part of the requirements for the Annual Report related to literacy. Provide rich descriptions and upload any supporting documents. If you state faculty has completed training, please list the faculty name and training they have taken. Use additional pages as needed.*

1. What progress have you made toward increasing reading competencies in your students in the past year? Please address any changes in coursework and expectations either in coursework or in field experiences.
2. Please list any training, professional development, state work or other that faculty have participated in related to literacy.
