1. Welcome, roll call – Patti Kritzberger

2. ND Health Information Network Update – Sheldon Wolf

- Continuing to work on building interfaces across the state. A majority of individuals have a record in the NDHIN Clinical Portal.
- CCD interface work continues.
- Image Exchange is in place with Trinity’s and Altru’s PAC systems. Continue to work on adding other PAC systems.
- New interface work has started with the 7 CHI facilities in ND.
- Working to establish health care organizational level accounts in Communicate (Direct Secure Messaging 2.0). These are shared email accounts which can have multiple users associated with it.

3. NDHIN Policies

- Revisions to the NDHIN Audit and Security policies were reviewed and approved. The policies will be sent to HITAC for final approval.
