

North Dakota HIT Planning Loan Program ©

Purpose:

Make loan funds available for eligible providers to purchase electronic health information systems.

Funds Available:

Approximately \$3,500,000 is anticipated to be available to loan to all participants during this round.

Deadline:

The deadline is 5 PM CST on January 15, 2019.

Loan Duration:

Loan payback terms are flexible but cannot to exceed 10 years.

Repayment Terms:

The loan payback schedule will be based upon monthly of principal and interest payments. The payback schedule will be developed during the Bank of North Dakota application process.

Loan Amounts:

The maximum loan amounts vary from \$125,000 for a single entity to \$1,250,000 for a multi-provider organization. Additional information is available in the loan application.

Additional Information and Application:
