

# Agency IT Operations Plan

2017-2019

## North Dakota Racing Commission

Line of Business: Agriculture / Economic Dev  
Contact: Allensworth, Gail L.

Agency Number: 6700

### 2015-2017 Accomplishments

- New ITD website

### 2017-2019 Technology Strategy Information

#### **Goal**

Manage and deliver information within the United States and internationally

#### **Strategy**

Internet; email communication; and creating, sorting, and maintaining agency documents and records

### 2017-2019 Planned Activity Information

- Get new printer/copier
- Review facility security
- Upgrade Director's computer to laptop
- Review security of field office laptop and copier

### 2017-2019 Technology Being Investigated or Considered

Mobile Devices

Have considered the new technology of tablets and iPads, but found these products are not currently necessary for this agency other than possibly moving the Director to a laptop.

Operating System Upgrade

Have considered the current Windows and MS Office Products and believe current Windows 7 and MS Office Products 2010 are satisfactory.

### New Projects

- None identified
